AUTHORITY REQUESTED**6. Does Applicant request authority to provide the following services?**

- a. Shared telecommunications service (STS). STS includes resale of long-distance service to the STS provider's user group, but not to customers outside the user group. **If yes, applicant must complete items 10 and 11.** Yes No
- b. Local exchange (intraexchange) switched service (i.e., local dial tone). **If yes, applicant must complete item 10.** Yes No
- c. Local exchange (**intraexchange**) nonswitched, private line service (i.e., dedicated transmission service). Yes No
- d. Interexchange, switched service (i.e., long-distance toll). **If yes, applicant must complete item 10.** Yes No
- e. Interexchange, nonswitched, private line service (i.e., dedicated transmission service). Yes No

7. How Services Will Initially Be Provided

The following is required for public notice and information purposes and does not request authority.

- a. Will Applicant resell finished services of other Oregon certified carriers? (Resell means resale of finished services, not unbundled network elements.) Yes No
- b. Will Applicant construct lines, loops, wires, fiber, or other transport facilities? Yes No
- c. Will Applicant have its own switching equipment? Yes No
- d. Will applicant purchase (lease) unbundled network elements from other Oregon certified carriers? Yes No
- e. Will Applicant purchase or lease network components which are not unbundled network elements? Yes No

8. Areas for which applicant seeks authority:**a. Intraexchange Authority:**

Alternative I: List every local exchange in which Applicant seeks to provide **local exchange** (*intraexchange*) service.

Alternative II: List every incumbent local exchange carrier in whose exchanges Applicant seeks authority to provide **local exchange** (*intraexchange*) service.

Alternative III: If Applicant seeks authority to provide **local exchange** (*intraexchange*) service within every telephone exchange in Oregon, then specify "Statewide."

Statewide.

b. Interexchange Authority:

Alternative I: List every local exchange in which Applicant seeks to provide **interexchange** service.

Alternative II: List every incumbent local exchange carrier in whose exchanges Applicant seeks authority to provide **interexchange** service.

Alternative III: If Applicant seeks authority to provide **interexchange** service in every telephone exchange in Oregon, then specify "Statewide."

Statewide.

9. Describe special characteristics, limitations, or restrictions that will be part of Applicant's services:

Applicant proposes to provide interexchange services such as outbound 1+ and 101XXXX, inbound 800/888 toll-free, travel cards and prepaid calling cards; Basic local service such as dial tone and custom calling features, advanced features, dedicated services and xdsl.

10. Operator Services:

- a. Operator service includes, but is not limited to, billing or completion of third-party billing calls, person-to-person calls, collect calls, and credit card calls. See **OAR 860-032-0001**.

Will Applicant directly offer operator services?

Yes N

- b. ORS 759.690(1)(d) defines "operator service provider" as a person who furnishes operator service under contract with a call aggregator. ORS 759.690(1)(a) defines a call aggregator as a person who furnishes a telephone for use by the public, i.e., transient use.

Will Applicant be an "operator service provider" as defined in ORS 759.690(1)(d)?

Yes N

11. Shared Telecommunications Service:

Shared Telecommunications Service (STS) service is defined in **OAR 860-032-0001**. STS includes resale of long-distance service to the STS provider's user group, but not to customers outside the user group.

- a. Provide the address of the building where shared service will be provided through privately owned customer premises equipment. If Applicant intends to serve a user group located in two or more buildings, include an electronic copy of a map clearly showing the locations to be served by the Applicant. The information on the map must be precise and legible and include street names and the city where the building(s) is(are) located.

Not applicable.

- b. An STS site or location consists of one building, or it consists of a complex of buildings or a campus on contiguous property. An STS provider may interconnect separate sites in order to aggregate toll traffic. An STS provider may not interconnect separate sites in order to provide local exchange service between those sites.

If serving buildings at separate sites, will applicant interconnect the buildings in order to aggregate toll traffic?

Yes N

- c. Describe the user group or association at the STS location.

Applicant must apply to PUC for another certificate of authority in order to add subsequent addresses/user groups

Conditions of a certificate of authority:

As a condition of a certificate of authority, applicant must comply with all applicable Commission rules and state law, as well as conditions listed in the certificate.

For your convenience, following is a summary of some conditions from **OAR 860-032-0001** et seq. (Division 32). *Additional conditions may be specified in the certificate.*

- a. Certificate holder shall provide only telecommunications services authorized by the certificate.
- b. Certificate holder shall, at a minimum, meet the standard level of service specified in OAR 860-032-0012. The standard level of service is 99 percent probability that a call will not be blocked during the certificate holder's busy hour of the day.
- c. Certificate holder's books and records shall be open to inspection by the Commission to the extent necessary to verify information required by the Commission's rules.
- d. Certificate holder shall maintain its books and records according to generally accepted accounting principles and the applicable rules of the Commission.
- e. Certificate holder shall pay all access charges and subsidies imposed pursuant to the Commission's rules.
- f. Certificate holder shall pay an annual fee to the Commission pursuant to the Commission's rules. This fee will be based on the certificate holder's annual gross retail intrastate revenues and will be no less than \$100 per calendar year. The certificate holder shall collect the fee by charging an equitable amount to each retail customer and describe the amount of the apportioned charge on each retail customer's bill, pursuant to the Commission's rules.
- g. The certificate holder shall pay a quarterly amount to the Oregon Universal Service Fund based on a Commission approved surcharge percentage assessed on all retail telecommunications services sold in Oregon pursuant to ORS 759.425(4).
- h. Certificate holder shall respond in a timely manner to Commission inquiries.

Pursuant to Residential Service Protection statutes, Chapter 290, Oregon Laws 1987, and Division 22, certificate holder shall be responsible to ensure that the Residential Service Protection Fund surcharge is remitted to the Commission. This surcharge is assessed against each paying retail subscriber at a rate that is set annually by the Commission.

Applicant understands that all services provided by Applicant must comply with all applicable Commission rules and state law, and with conditions of the certificate.
