(h) Full Description of Securities Proposed to be Issued.

Overview: The Applicant has an existing credit facility that will expire in April 2021. This existing credit facility provides the Applicant with \$400 million of liquidity and is its primary liquidity source for working capital and other corporate needs. The requested authority will allow the Applicant to amend, or amend and restate, or replace its current credit facility with an amended, or an amended and restated, or a replacement revolving credit facility.

The Credit Facility will amend, or amend and extend or replace the existing credit facility and provide the Applicant with the continued ability to borrow and repay these amounts as needed for daily operational requirements. The Applicant, at its option, can rollover these borrowings at revised interest rates during the term of the Credit Facility without the initial borrowings being repaid in cash until the expiration of the term of the Credit Facility. The aggregate borrowings outstanding under the Credit Facility will be limited to \$500,000,000. Similar to the existing credit facility, interest will be charged under the Credit Facility at rates set by the tenure of the requested borrowings and the applicable interest rate spread. The Credit Facility will also include the ability to issue letters of credit, similar to the provisions of the existing credit facility. The Applicant anticipates that the Credit Facility will be secured by First Mortgage Bonds issued under the Applicant's Mortgage and Deed of Trust, dated as of June 1, 1939, as amended and supplemented. Substantially all of the Applicant's utility properties are subject to the lien of the Mortgage and Deed of Trust. The existing facility is similarly secured with First Mortgage Bonds.

Date of Issue and Maturity: The Applicant expects to execute documentation related to the Credit Facility during 2020. The Credit Facility is expected to have an initial term of five (5) years with an option to extend the term up to two years if the Applicant and the banks agree.

(i) Detailed Description of the Proposed Transaction.

The Credit Facility will be syndicated with several banks. This syndication will be organized by co-lead arrangers and the Applicant. These lead arrangers will keep the Applicant apprised of current market rates and spreads based on the Applicant's senior secured credit rating. They will also work with other banks in gaining their commitments to participate in the Credit Facility as lenders and propose fees and spreads that are competitive with market rates at the time of syndication. The terms of these arrangements and the names of the banks, arrangers, or agents will be supplied at the time of execution. The Credit Facility is expected to be secured and collateralized by the Applicant's first mortgage bonds.

(j) Fees to Persons Other than Attorneys & Accountants.

Compensation to any bank or agent for their services in connection with the handling of the Credit Facility is not expected to exceed 1%, including fees for co-lead arrangers (fee paid for organizing the syndication of the Credit Facility, expected to range from 0.075% to 0.10%) and upfront fees (fee paid for the banks' initial commitment of capital upon closing the Credit Facility, expected to range from 0.12% to 0.20%), and agency fees (annual fee paid to the lead bank for administering the Credit Facility expected to range from \$40,000 to \$50,000 annually), and such fees do not exceed the customary fees for such services in arm's-length transactions and are reasonable.

Estimated fees and borrowing spreads, based on the Applicant's current senior secured debt rating and current market information, are as follows:

Pricing Level	Facility Fee	Eurodollar Margin ⁽¹⁾	ABR Margin ⁽²⁾	LC Participation Fee
I	0.075%	0.675%	0.000%	0.675%
II	0.100%	0.775%	0.000%	0.775%
III	0.125%	0.875%	0.000%	0.875%
IV	0.175%	0.950%	0.000%	0.950%
V	0.200%	1.050%	0.050%	1.050%
VI	0.250%	1.250%	0.250%	1.250%

¹ Eurodollar Margin applies for borrowings with a term of at least two weeks. The rate will be the applicable LIBOR rate plus the Eurodollar Margin.

² Alternate Base Rate Margin applies for borrowings of less than two weeks. The rate is reset daily to whichever is the greatest of (a) Prime Rate, (b) the Federal Funds Rate plus the Base Rate Margin, (c) 30 day LIBOR rate plus 1.00%.

As noted above the fees are based upon the Applicant's current senior secured debt rating. The Applicant's senior secured debt ratings are currently A-/A3 (i.e. Pricing Level III). In the event that the Applicant's senior secured debt ratings are split by one level, the higher rating will apply. In the event the ratings are split by more than one level, the level that is one level below the higher rating will apply.

The Applicant will only enter into transactions where the fees, interest rates and expenses charged or incurred by the Applicant in connection with the transactions, and any refunding, extensions, renewals or replacements thereof, are competitive with market prices for similar transactions.

(k) Total Amount and Net Proceeds: The estimated available funds under the Credit Facility will not cumulatively exceed \$500,000,000.

(l) Purposes for which the securities are to be issued: The Applicant may use the proceeds from the Credit Facility for any or all of the following purposes: (1) the acquisition of property, or the Applicant's construction, completion, extension or improvement of its facilities, (2) the improvement or maintenance of its service, (3) the discharge or lawful refunding of its obligations, (4) the reimbursement of money actually expended from income or from any other money in the Applicant's treasury for expenditures against which securities have not been issued, and (5) for such other purposes, as may be permitted by law. To the extent that the Company's treasury is refunded, the original expenditures, or their precedents, were made for purposes described by ORS 757.415(1). To the extent that the obligations are discharged or refunded, those obligations or their precedents were used for purposes described by ORS 757.415(1).

(m) Similar applications have been filed with the Washington Utilities and Transportation Commission and the Idaho Public Utilities Commission, in whose jurisdictions the Applicant also operates.

(n) The facts relied upon by the Applicant to show that the proposed transaction is consistent with the public interest and necessary or appropriate for or consistent with the proper performance by the Applicant of service as a public utility. The requested authority will allow the Applicant to continue to manage its debt and capital needs in the most efficient and cost-effective manner. Accordingly, the Applicant believes the requested authority is in the public interest.

- (a) The amount of capital with which the Corporation will begin to carry on business hereunder shall be FIVE MILLION FIVE HUNDRED DOLLARS (\$5,000,500).
- (b) The aggregate number of shares of capital stock which the Corporation shall have authority to issue is 210,000,000 shares, divided into 10,000,000 shares of Preferred Stock without nominal or par value, issuable in series as hereinafter provided, and 200,000,000 shares of Common Stock without nominal or par value.
- (c) A statement of the preferences, limitations and relative rights of each class of capital stock of the Corporation, namely, the Preferred Stock without nominal or par value and the Common Stock without nominal or par value, of the variations in the relative rights and preferences as between series of the Preferred Stock insofar as the same are fixed by these Articles of Incorporation, and of the authority vested in the Board of Directors of the Corporation to

establish series of Preferred Stock and to fix and determine the variations in the relative rights and preferences as between series insofar as the same are not fixed by these Articles of Incorporation and as to which there may be variations between series is as follows.

- (d) The shares of the Preferred Stock may be divided into and issued in series. Each series shall be so designated as to distinguish the shares thereof from the shares of all other series of the Preferred Stock and all other classes of capital stock of the Corporation. To the extent that these Articles of Incorporation shall not have established series of the Preferred Stock and fixed and determined the variations in the relative rights and preferences as between series, the Board of Directors shall have authority, and is hereby expressly vested with authority, to divide the Preferred Stock into series and, within the limitations set forth in these Articles of Incorporation and such limitations as may be provided by law, to fix and determine the relative rights and preferences of any series of the Preferred Stock so established. Such action by the Board of Directors shall be expressed in a resolution or resolutions adopted by it prior to the issuance of shares of each series, which resolution or resolutions shall also set forth the distinguishing designation of the particular series of the Preferred Stock established thereby. Without limiting the generality of the foregoing, authority is hereby expressly vested in the Board of Directors so to fix and determine, with respect to any series of the Preferred Stock:
- (1) the rate or rates of dividend, if any, which may be expressed in terms of a formula or other method by which such rate or rates shall be calculated from time to time, and the date or dates on which dividends may be payable;
 - (2) whether shares may be redeemed and, if so, the redemption price and the terms and conditions of redemption;
 - (3) the amount payable upon shares in event of voluntary and involuntary liquidation;
 - (4) sinking fund provisions, if any, for the redemption or purchase of shares; and
 - (5) the terms and conditions, if any, on which shares may be converted.

All shares of the Preferred Stock of the same series shall be identical except that shares of the same series issued at different times may vary as to the dates from which dividends thereon shall be cumulative; and all shares of the Preferred Stock, irrespective of series, shall constitute one and the same class of stock, shall be of equal rank, and shall be identical except as to the designation thereof, the date or dates from which dividends on shares thereof shall be cumulative, and the relative rights and preferences set forth above in clauses (1) through (5) of this subdivision (d), as to which there may be variations between different series. Except as may be otherwise provided by law, by subdivision (j) of this Article THIRD, or by the resolutions establishing any series of Preferred Stock in accordance with the foregoing provisions of this subdivision (d), whenever the written consent, affirmative vote, or other action on the part of the holders of the Preferred Stock may be required for any purpose, such consent, vote or other action shall be taken by the holders of the Preferred Stock as a single class irrespective of series and not by different series.

- (e) Out of any funds legally available for the payment of dividends, the holders of the Preferred Stock of each series shall be entitled, in preference to the holders of the Common Stock, to receive, but only when and as declared by the Board of Directors, dividends at the rate or rates fixed and determined with respect to each series in accordance with these Articles of Incorporation, and no more, payable as hereinafter provided. Such dividends shall be cumulative

so that if for all past dividend periods and the then current dividend periods dividends shall not have been paid or declared and set apart for payment on all outstanding shares of each series of the Preferred Stock, at the dividend rates fixed and determined for the respective series, the deficiency shall be fully paid or declared and set apart for payment before any dividends on the Common Stock shall be paid or declared and set apart for payment; provided, however, that nothing in this subdivision (e) or elsewhere in these Articles of Incorporation shall prevent the simultaneous declaration and payment of dividends on both the Preferred Stock and the Common Stock if there are sufficient funds legally available to pay all dividends concurrently. Dividends on all shares of the Preferred Stock of each series shall be cumulative from the date of issuance of shares of such series. If more than one series of the Preferred Stock shall be outstanding and if dividends on each series shall not have been paid or declared and set apart for payment, at the dividend rate or rates fixed and determined for such series, the shares of the Preferred Stock of each series shall share ratably in the payment of dividends including accumulations, if any, in accordance with the sums which would be payable on such shares if all dividends were declared and paid in full. As to all series of Preferred Stock, the dividend payment dates for regular dividends shall be the fifteenth day of March, June, September and December in each year, unless other dividend payment dates shall have been fixed and determined for any series in accordance with subdivision (d) of this Article THIRD, and the dividend period in respect of which each regular dividend shall be payable in respect of each series shall be the period commencing on the next preceding dividend payment date for such series and ending on the day next preceding the dividend payment date for such dividend. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments which may be in arrears.

- (f) Subject to the limitations set forth in paragraph (e) or elsewhere in these Articles of Incorporation (and subject to the rights of any class of stock hereafter authorized), dividends may be paid on the Common Stock when and as declared by the Board of Directors out of any funds legally available for the payment of dividends, and no holder of shares of any series of the Preferred Stock as such shall be entitled to share therein.
- (g) In the event of any voluntary dissolution, liquidation or winding up of the Corporation, before any distribution or payment shall be made to the holders of the Common Stock, the holders of the Preferred Stock of each series then outstanding shall be entitled to receive out of the net assets of the Corporation available for distribution to its shareholders the respective amounts per share fixed and determined in accordance with these Articles of Incorporation to be payable on the shares of such series in the event of voluntary liquidation, and no more, and in the event of any involuntary dissolution, liquidation or winding up of the Corporation, before any distribution or payment shall be made to the holders of the Common Stock, the holders of the Preferred Stock of each series then outstanding shall be entitled to receive out of the net assets of the Corporation available for distribution to its shareholders the respective amounts per share fixed and determined in accordance with these Articles of Incorporation to be payable on the shares of such series in the event of involuntary liquidation, and no more. If upon any dissolution, liquidation or winding up of the Corporation, whether voluntary or involuntary, the net assets of the Corporation available for distribution to its shareholders shall be insufficient to pay the holders of all outstanding shares of Preferred Stock of all series the full amounts to which they shall be respectively entitled as aforesaid, the entire net assets of the Corporation available for distribution shall be distributed ratably to the holders of all outstanding shares of Preferred Stock of all series in proportion to the amounts to which they shall be respectively so entitled. For the purposes of this and the next succeeding subdivision, and without limiting the right of the Corporation to distribute its assets or to dissolve, liquidate or wind up in connection with any sale, merger or consolidation, the sale of all or substantially all of the property of the

Corporation, or the merger or consolidation of the Corporation into or with any other corporation or corporations, shall not be deemed to be a distribution of assets or a dissolution, liquidation or winding up of the Corporation, whether voluntary or involuntary.

- (h) Subject to the limitations set forth in subdivision (g) of this Article THIRD or elsewhere in these Articles of Incorporation (and subject to the rights of any class of stock hereafter authorized) upon any dissolution, liquidation or winding up of the Corporation, whether voluntary or involuntary, any net assets of the Corporation available for distribution to its shareholders shall be distributed ratably to holders of the Common Stock.
- (i) The Preferred Stock may be redeemed in accordance with the following provisions of this subdivision (i):
 - (1) Each series of the Preferred Stock which has been determined to be redeemable as permitted by subdivision (d) of this Article THIRD may be redeemed in whole or in part by the Corporation, at its election expressed by resolution of the Board of Directors, at any time or from time to time, at the then applicable redemption price fixed and determined with respect to each series, subject however, to any terms and conditions specified in respect of any series of the Preferred Stock in accordance with subdivision (d) of this Article THIRD. If less than all of the shares of any series are to be redeemed, the redemption shall be made either pro rata or by lot in such manner as the Board of Directors shall determine.
 - (2) In the event the Corporation shall so elect to redeem shares of the Preferred Stock, notice of the intention of the Corporation to do so and of the date and place fixed for redemption shall be mailed not less than thirty nor more than ninety days before the date fixed for redemption to each holder of shares of the Preferred Stock to be redeemed at his address as it shall appear on the books of the Corporation, and on and after the date fixed for redemption and specified in such notice (unless the Corporation shall default in making payment of the redemption price), such holders shall cease to be shareholders of the Corporation with respect to such shares and shall have no interest in or claim against the Corporation with respect to such shares, excepting only the right to receive the redemption price therefor from the Corporation on the date fixed for redemption, without interest, upon endorsement, if required, and surrender of their certificates for such shares.
 - (3) Contemporaneously with the mailing of notice of redemption of any shares of the Preferred Stock as aforesaid or at any time thereafter on or before the date fixed for redemption, the Corporation may, if it so elects, deposit the aggregate redemption price of the shares to be redeemed with any bank or trust company doing business in the City of New York, New York, or Spokane, Washington, having a capital and surplus of at least \$5,000,000, named in such notice, payable on the date fixed for redemption in the proper amounts to the respective holders of the shares to be redeemed, upon endorsement, if required, and surrender of their certificates for such shares, and on and after the making of such deposit such holders shall cease to be shareholders of the Corporation with respect to such shares and shall have no interest in or claim against the Corporation with respect to such shares, excepting only the right to exercise such redemption or exchange rights, if any, on or before the date fixed for redemption as may have been provided with respect to such shares or the right to receive the redemption price of their shares from such bank or trust company on the date fixed for redemption, without interest, upon endorsement, if required, and surrender of their certificates for such shares.

- (4) If the Corporation shall have so elected to deposit the redemption moneys with a bank or trust company, any moneys so deposited which shall remain unclaimed at the end of six years after the redemption date shall be repaid to the Corporation, and upon such repayment holders of Preferred Stock who shall not have made claim against such moneys prior to such repayment shall be deemed to be unsecured creditors of the Corporation for an amount, without interest, equal to the amount they would theretofore have been entitled to receive from such bank or trust company. Any redemption moneys so deposited which shall not be required for such redemption because of the exercise, after the date of such deposit, of any right of conversion or exchange or otherwise, shall be returned to the Corporation forthwith. The Corporation shall be entitled to receive any interest allowed by any bank or trust company on any moneys deposited with such bank or trust company as herein provided, and the holders of any shares called for redemption shall have no claim against any such interest.
- (5) Nothing herein contained shall limit any legal right of the Corporation to purchase or otherwise acquire any shares of the Preferred Stock.
- (j) The holders of the Preferred Stock shall not have any right to vote for the election of Directors or for any other purpose except as otherwise provided by law and as set forth below in this subdivision of this Article THIRD or elsewhere in these Articles of Incorporation. Holders of Preferred Stock shall be entitled to notice of each meeting of shareholders at which they shall have any right to vote but except as may be otherwise provided by law shall not be entitled to notice of any other meeting of shareholders.
- (1) Whenever and as often as, at any date, dividends payable on any shares of the Preferred Stock shall be in arrears in an amount equal to the aggregate amount of dividends accumulated on such shares of the Preferred Stock over the eighteen-month period ended on such date, the holders of the Preferred Stock of all series, voting separately and as a single class, shall be entitled to vote for and to elect a majority of the Board of Directors, and the holders of the Common Stock, voting separately and as a single class, shall be entitled to vote for and to elect the remaining Directors of the Corporation. The right of the holders of the Preferred Stock to elect a majority of the Board of Directors shall, however, cease when all defaults in the payment of dividends on their stock shall have been cured and such dividends shall be declared and paid out of any funds legally available therefor as soon as in the judgment of the Board of Directors is reasonably practicable. The terms of office of all persons who may be Directors of the Corporation at the time the right to elect Directors shall accrue to the holders of the Preferred Stock as herein provided shall terminate upon the election of their successors at a meeting of the shareholders of the Corporation then entitled to vote. Such election shall be held at the next Annual Meeting of Shareholders or may be held at a special meeting of shareholders but shall be held upon notice as provided in the Bylaws of the Corporation for a special meeting of the shareholders. Any vacancy in the Board of Directors occurring during any period when the Preferred Stock shall have elected representatives on the Board shall be filled by a majority vote of the remaining Directors representing the class of stock theretofore represented by the Director causing the vacancy. At all meetings of the shareholders held for the purpose of electing Directors during such times as the holders of the Preferred Stock shall have the exclusive right to elect a majority of the Board of Directors of the Corporation, the presence in person or by proxy of the holders of a majority of the outstanding shares of Preferred Stock of all series shall be required to substitute a quorum of such class for the election of Directors, and the presence in person or by proxy of the holders of a majority of the outstanding shares of Common Stock shall be required to constitute a quorum of such

class for the election of Directors; provided, however, that the absence of a quorum of the holders of stock of either class shall not prevent the election at any such meeting, or adjournment thereof, of Directors by the other class if the necessary quorum of the holders of stock of such class is present in person or by proxy at such meeting; and provided further, that, in the absence of a quorum of the holders of stock of either class, a majority of those holders of such stock who are present in person or by proxy shall have the power to adjourn the election of those Directors to be elected by that class from time to time without notice, other than announcement at the meeting, until the requisite amount of holders of stock of such class shall be present in person or by proxy.

- (2) So long as any shares of the Preferred Stock shall be outstanding, the Corporation shall not, without the affirmative vote of the holders of at least a majority of the shares of the Preferred Stock at the time outstanding, adopt any amendment to these Articles of Incorporation if such amendment would:
- (i) create or authorize any new class of stock ranking prior to or on a parity with the Preferred Stock as to dividends or upon dissolution, liquidation or winding up;
 - (ii) increase the authorized number of shares of the Preferred Stock; or
 - (iii) change any of the rights or preferences of the Preferred Stock at the time outstanding provided, however, that if any proposed change of any of the rights or preferences of any outstanding shares of the Preferred Stock would affect the holders of shares of one or more, but not all, series of the Preferred Stock then outstanding, only the affirmative vote of the holders of at least a majority of the total number of outstanding shares of all series so affected shall be required; and provided further, that nothing herein shall authorize the adoption of any amendment to these Articles of Incorporation by the vote of the holders of a lesser number of shares of the Preferred Stock, or of any other class of stock, or of all classes of stock, than is required for such an amendment by the laws of the state of Washington at the time applicable thereto.
- (3) So long as any shares of the Preferred Stock shall be outstanding, the Corporation shall not, without the affirmative vote of the holders of at least a majority of the shares of the Preferred Stock at the time outstanding, issue any shares of the Preferred Stock, or of any other class of stock ranking prior to or on a parity with the Preferred Stock as to dividends or upon dissolution, liquidation or winding up, unless the net income of the Corporation available for the payment of dividends for a period of twelve consecutive calendar months within the fifteen calendar months immediately preceding the issuance of such shares (including, in any case in which such shares are to be issued in connection with the acquisition of new property, the net income of the property so to be acquired, computed on the same basis as the net income of the Corporation) is at least equal to one and one-half times the annual dividend requirements on all shares of the Preferred Stock, and on all shares of all other classes of stock ranking prior to or on a parity with the Preferred Stock as to dividends or upon dissolution, liquidation or winding up, which will be outstanding immediately after the issuance of such shares, including the shares proposed to be issued; provided, however, that if the shares of any series of the Preferred Stock or any such prior or parity stock shall have a variable dividend rate, the annual dividend requirement on the shares of such series shall be determined by reference to the weighted average dividend rate on such shares during the twelve-month period for which the net income of the Corporation available for the payment of dividends shall have been determined; and

provided, further, that if the shares of the series to be issued are to have a variable dividend rate, the annual dividend requirement on the shares of such series shall be determined by reference to the initial dividend rate upon the issuance of such shares. In any case where it would be appropriate, under generally accepted accounting principles to combine or consolidate the financial statements of any parent or subsidiary of the Corporation with those of the Corporation, the foregoing computation may be made on the basis of such combined or consolidated financial statements.

- (k) Subject to the limitations set forth in subdivision (j) of this Article THIRD (and subject to the rights of any class of stock hereafter authorized), and except as may be otherwise provided by law, the holders of the Common Stock shall have the exclusive right to vote for the election of Directors and for all other purposes. At each meeting of shareholders, each holder of stock entitled to vote thereat shall be entitled to one vote for each share of such stock held by him and recorded in his name on the record date for such meeting, and may vote and otherwise act in person or by proxy. Voting in the election of directors by shares within each voting group shall be governed by the additional provisions set forth below:

- (1) In an election of directors which is not a contested election (as defined below):

- (A) Each vote entitled to be cast may be cast for or cast against one or more candidates, or a shareholder may indicate an abstention with respect to one or more candidates. Shareholders shall not be entitled to cumulate votes;
- (B) A candidate shall be elected by such voting group if the number of votes cast within such voting group for such candidate exceeds the number of votes cast within such voting group against such candidate. A candidate who does not receive such majority of votes cast but who is a director at the time of the election shall continue to serve as a director for a term that shall terminate on the date that is the earliest of (I) the date of the commencement of the term of a new director selected by the board of directors to fill the office held by such director, (II) the effective date of the resignation of such director and (III) the later of (X) the last day of the sixth calendar month commencing after the election in which such candidate failed to receive a majority of votes cast and (Y) December 31 of the calendar year on which such election occurred;
- (C) Only votes cast for and votes cast against a candidate shall be taken into account in determining whether the votes required for the election of such candidate have been received. Shares otherwise present at the meeting but for which there is an abstention with respect to a candidate or as to which no authority or direction to vote is given or specified with respect to a candidate shall not be deemed to have been voted; and
- (D) In the event that a director does not receive the required majority vote for election, a majority of the other directors duly elected by shares within such voting group in such or a prior election may select any qualified individual to fill the office held by such director, such selection being deemed to constitute the filling of a vacancy.

- (2) In a contested election:

- (A) Each vote entitled to be cast may be cast for one or more candidates (not to exceed the number of directors to be elected), or may be withheld with respect to one or more candidates. Shareholders shall not be entitled to cumulate votes; and

- (B) The candidates elected shall be those receiving the largest numbers of votes cast within such voting group, up to the number of directors to be elected.
- (3) An election of directors by a voting group shall be deemed to be a "contested election" with respect to such voting group if at the expiration of the time fixed in the Bylaws requiring advance notice of a shareholder's intent to nominate a person for election as a director, there are more candidates for election by such voting group than the number of directors to be elected by such voting group, one or more of whom have been properly proposed by shareholders.
- (l) Subject to the limitations set forth in subdivision (j) of this Article THIRD (and subject to the rights of any class of stock hereafter authorized), and except as may be otherwise provided by law, upon the vote of a majority of all of the Directors of the Corporation and of the holders of record of two-thirds of the total number of shares of the Corporation then issued and outstanding and entitled to vote (or, if the vote of a larger number or different proportion of shares is required by the laws of the state of Washington, notwithstanding the above agreement of the shareholders of the Corporation to the contrary, then upon the vote of the holders of record of the larger number or different proportion of shares so required) the Corporation may from time to time create or authorize one or more other classes of stock with such preferences, designations, rights, privileges, powers, restrictions, limitations and qualifications as may be determined by said vote, which may be the same or different from the preferences, designations, rights, privileges, powers, restrictions, limitations and qualifications of the classes of stock of the Corporation then authorized and/or the Corporation may increase or decrease the number of shares of one or more of the classes of stock then authorized.
- (m) All stock of the Corporation without nominal or par value whether authorized herein or upon subsequent increases of capital stock or pursuant to any amendment hereof may be issued, sold and disposed of by the Corporation from time to time for such consideration in labor, services, money or property as may be fixed from time to time by the Board of Directors and authority to the Board of Directors so to fix such consideration is hereby granted by the shareholders. The consideration received by the Corporation from the issuance and sale of new or additional shares of capital stock without par value shall be entered in the capital stock account.
- (n) No holder of any stock of the Corporation shall be entitled as of right to purchase or subscribe for any part of any stock of the Corporation authorized herein or of any additional stock of any class to be issued by reason of any increase of the authorized capital stock of the Corporation or of any bonds, certificates of indebtedness, debentures or other securities convertible into stock of the Corporation but any stock authorized herein or any such additional authorized issue of any stock or of securities convertible into stock may be issued and disposed of by the Board of Directors to such persons, firms, corporations or associations upon such terms and conditions as the Board of Directors in their discretion may determine without offering any thereof on the same terms or any terms to the shareholders then of record or to any class of shareholders.

FOURTH: The duration of the Corporation shall be perpetual.

FIFTH: The number of Directors of the Corporation shall be such number, not to exceed eleven (11), as shall be specified from time to time by the Board of Directors in the Bylaws; provided, however, that if the right to elect a majority of the Board of Directors shall have accrued to the holders of the Preferred Stock as provided in paragraph (1) of subdivision (j) of Article THIRD, then, during such period as such holders shall have such right, the number of Directors may exceed eleven (11). Commencing with the 2012 Annual Meeting of Shareholders, Directors shall be elected at each

Annual Meeting of Shareholders for a term which shall expire at the next Annual Meeting of Shareholders; it being understood that the term of each Director elected prior to the 2012 Annual Meeting of Shareholders for a term that was to expire after the 2012 Annual Meeting of Shareholders shall expire at the 2012 Annual Meeting of Shareholders. Directors elected by the holders of the Preferred Stock in accordance with paragraph (1) of subdivision (j) of Article THIRD shall be elected for a term that shall expire not later than the next Annual Meeting of Shareholders. All Directors shall hold office until the expiration of their respective terms of office and until their successors shall have been elected and qualified.

Subject to the provisions of paragraph (1) of subdivision (j) of Article THIRD, any vacancy occurring in the Board of Directors may be filled by the Board of Directors, and any Director so elected to fill a vacancy shall be elected for a term of office continuing until the next election of Directors by the shareholders; provided, however, if the Directors then in office constitute fewer than a quorum of the Board, the affirmative vote of a majority of all Directors then in office shall be required to fill such vacancy.

No decrease in the number of Directors constituting the Board of Directors shall shorten the term of any incumbent Director.

Subject to the provisions of paragraph (1) of subdivision (j) of Article THIRD and the provisions of the next preceding paragraph of this Article FIFTH, any Director may be removed from office at any time, but only for cause, only by the holders of shares of capital stock of the Corporation entitled generally to vote in the election of Directors (such stock being hereinafter in these Articles of Incorporation called "Voting Stock," voting together as a single class, at a meeting of shareholders called expressly for that purpose and only if the number of votes cast for the removal of such Director exceeds the number of votes cast against such removal.

Notwithstanding anything contained in these Articles of Incorporation to the contrary, the provisions of this Article FIFTH shall not be altered, amended or repealed, and no provision inconsistent therewith shall be included in these Articles of Incorporation or the Bylaws of the Corporation, without the affirmative vote of the holders of at least eighty percent (80%) of the voting power of all of the shares of the Voting Stock, voting together as a single class.

SIXTH: That the principal place of business of said Corporation shall be Spokane, Spokane County, Washington.

SEVENTH: The corporate powers shall be exercised by the Board of Directors, except as otherwise provided by statute or by these Articles of Incorporation. The Board of Directors shall have power to authorize the payment of compensation to the Directors for services to the Corporation, including fees for attendance at meetings of the Board of Directors and other meetings, and to determine the amount of such compensation and fees.

The Board of Directors shall have power to adopt, alter, amend and repeal the Bylaws of the Corporation. To the extent provided under the laws of the state of Washington, any Bylaws adopted by the Directors under the powers conferred hereby may be repealed or changed by the shareholders.

An Executive Committee may be appointed by and from the Board of Directors in such manner and subject to such regulations as may be provided in the Bylaws, which committee shall have and may exercise, when the Board is not in session, all the powers of said Board which may be lawfully delegated subject to such limitations as may be provided in the Bylaws or by resolutions of the Board. The fact that the Executive Committee has acted shall be conclusive evidence that the Board was not in session at the

time of such action. Additional committees may be appointed by and from the Board of Directors in such manner and subject to such regulations as may be provided in the Bylaws. Any action required or permitted by these Articles of Incorporation to be taken by the Board of Directors of the Corporation may be taken by a duly authorized committee of the Board of Directors, except as otherwise required by law.

No Director shall have any personal liability to the Corporation or its shareholders for monetary damages for his or her conduct as a Director of the Corporation; provided, however, that nothing herein shall eliminate or limit any liability which may not be so eliminated or limited under Washington law, as from time to time in effect. No amendment, modification or repeal of this paragraph shall eliminate or limit the protection afforded by this paragraph with respect to any act or omission occurring prior to the effective date thereof.

The Corporation shall, to the full extent permitted by applicable law, as from time to time in effect, indemnify any person made a party to, or otherwise involved in, any proceeding by reason of the fact that he or she is or was a Director of the Corporation against judgments, penalties, fines, settlements and reasonable expenses actually incurred by him or her in connection with such proceeding. The Corporation shall pay any reasonable expenses incurred by a Director in connection with any such proceeding in advance of the final determination thereof upon receipt from such Director of such undertakings for repayment as may be required by applicable law and a written affirmation by such director that he or she has met the standard of conduct necessary for indemnification, but without any prior determination, which would otherwise be required by Washington law, that such standard of conduct has been met. The Corporation may enter into agreements with each Director obligating the Corporation to make such indemnification and advances of expenses as are contemplated herein. Notwithstanding the foregoing, the Corporation shall not make any indemnification or advance which is prohibited by applicable law. The rights to indemnity and advancement of expenses granted herein shall continue as to any person who has ceased to be a Director and shall inure to the benefit of the heirs, executors and administrators of such a person.

A Director of the Corporation shall not be disqualified by his office from dealing or contracting with this Corporation either as a vendor, purchaser or otherwise, nor shall any transaction or contract of the Corporation be void or voidable by reason of the fact that any Director, or any firm of which any Director is a member, or any corporation of which any Director is a shareholder or Director, is in any way interested in such transaction or contract, provided that such transaction or contract is or shall be authorized, ratified, or approved, either (1) by vote of a majority of a quorum of the Board of Directors or of the Executive Committee without counting in such majority or quorum any Directors so interested, or a member of a firm so interested, or a shareholder or Director of a corporation so interested; or (2) by the written consent or by vote at a shareholders' meeting of the holders of record of a majority in number of all the outstanding shares of capital stock of the Corporation entitled to vote; nor shall any Director be liable to account to the Corporation for any profits realized by and from or through any such transaction or contract of the Corporation authorized, ratified, or approved as aforesaid by reason of the fact that he, or any firm of which he is a member, or any corporation of which he is a shareholder or a Director, was interested in such transaction or contract. Nothing herein contained shall create any liability in the events above described or prevent the authorization, ratification or approval of such transaction or contract in any other manner approved by law.

Shareholders shall have no rights, except as conferred by statute or by the Bylaws, to inspect any book, paper or account of the Corporation.

Any property of the Corporation not essential to the conduct of its corporate business may be sold, leased, exchanged, or otherwise disposed of, by authority of its Board of Directors and the Corporation may sell, lease, exchange or otherwise dispose of, all of its property and franchises, or any of its property,

franchises, corporate rights, or privileges, essential to the conduct of its corporate business and purposes upon the consent of and for such consideration and upon such terms as may be authorized by a majority of all of the Directors and the holders of two-thirds of the issued and outstanding shares of the Corporation having voting power (or, if the consent or vote of a larger number or different proportion of the Directors and/or shares is required by the laws of the state of Washington, notwithstanding the above agreement of the shareholders of the Corporation to the contrary, then upon the consent or vote of the larger number or different proportion of the Directors and/or shares so required) expressed in writing, or by vote at a meeting of holders of the shares of the Corporation having voting power duly held as provided by law, or in the manner provided by the Bylaws of the Corporation, if not inconsistent therewith.

Upon the affirmative vote of the holders of two-thirds of the issued and outstanding shares of the Corporation having voting power given at a meeting of the holders of the shares of the Corporation having voting power duly called for that purpose or when authorized by the written consent of the holders of two-thirds of the issued and outstanding shares of the Corporation having voting power and upon the vote of a majority of the Board of Directors, all of the property, franchises, rights and assets of the Corporation may be sold, conveyed, assigned and transferred as an entirety to a new company to be organized under the laws of the United States, the state of Washington or any other state of the United States, for the purpose of so taking over all the property, franchises, rights and assets of the Corporation, with the same or a different authorized number of shares of stock and with the same preferences, voting powers, restrictions and qualifications thereof as may then attach to the classes of stock of the Corporation then outstanding so far as the same shall be consistent with such laws of the United States or of Washington or of such other state (provided that the whole or any part of such stock or of any class thereof may be stock with or without a nominal or par value), the consideration for such sale and conveyance to be the assumption by such new company of all of the then outstanding liabilities of the Corporation and the issuance and delivery by the new company of shares of stock (any or all thereof either with or without nominal or par value) of such new company of the several classes into which the stock of the Corporation is then divided equal in number to the number of shares of stock of the Corporation of said several classes then outstanding. In the event of such sale, each holder of stock of the Corporation agrees so far as he may be permitted by the laws of Washington forthwith to surrender for cancellation his certificate or certificates for stock of the Corporation and to receive and accept in exchange therefor, as his full and final distributive share of the proceeds of such sale and conveyance and of the assets of the Corporation, a number of shares of the stock of the new company of the class corresponding to the class of the shares surrendered equal in number to the shares of stock of the Corporation so surrendered, and in such event no holder of any of the stock of the Corporation shall have any rights or interests in or against the Corporation, except the right upon surrender of his certificate as aforesaid properly endorsed, to receive from the Corporation certificates for such shares of said new company as herein provided. Such new company may have all or any of the powers of the Corporation and the certificate of incorporation and bylaws of such new company may contain all or any of the provisions contained in the Articles of Incorporation and Bylaws of the Corporation.

Upon the written assent, in person or by proxy, or pursuant to the affirmative vote, in person or by proxy, of the holders of a majority in number of the shares then outstanding and entitled to vote (or, if the assent or vote of a larger number or different proportion of shares is required by the laws of the state of Washington notwithstanding the above agreement of the shareholders of the Corporation to the contrary, then upon the assent or vote of the larger number or different proportion of the shares so required) (1) any or every statute of the state of Washington hereafter enacted, whereby the rights, powers or privileges of the Corporation are or may be increased, diminished, or in any way affected, or whereby the rights, powers or privileges of the shareholders of corporations organized under the law under which the Corporation is organized are increased, diminished or in any way affected or whereby effect is given to the action taken by any part less than all of the shareholders of any such corporation shall,

notwithstanding any provision which may at the time be contained in these Articles of Incorporation or any law, apply to the Corporation, and shall be binding not only upon the Corporation but upon every shareholder thereof, to the same extent as if such statute had been in force at the date of the making and filing of these Articles of Incorporation and/or (2) amendments to said Articles authorized at the time of the making of such amendments by the laws of the state of Washington may be made; provided, however, that (a) the provisions of Article THIRD hereof limiting the preemptive rights of shareholders, requiring majority voting in the election of Directors and regarding entry in the capital stock account of consideration received upon the sale of shares of capital stock without nominal or par value and all of the provisions of Article FIFTH hereof shall not be altered, amended, repealed, waived or changed in any way, unless the holders of record of at least two-thirds of the number of shares entitled to vote then outstanding shall consent thereto in writing or affirmatively vote therefor in person or by proxy at a meeting of shareholders at which such change is duly considered.

Special meetings of the shareholders may be called by the President, the Chairman of the Board of Directors, a majority of the Board of Directors, any Executive Committee of the Board of Directors, and shall be called by the President at the request of the holders of at least two-thirds (2/3) of the voting power of all of the shares of the Voting Stock, voting together as a single class. Only those matters that are specified in the call of or request for a special meeting may be considered or voted upon at such meeting.

Notwithstanding anything contained in these Articles of Incorporation to the contrary, the paragraph in this Article SEVENTH relating to the adoption, alteration, amendment, change and repeal of the Bylaws of the Corporation, the paragraph in this Article SEVENTH relating to the calling and conduct of special meetings of the shareholders and this paragraph, and the provisions of the Bylaws of the Corporation relating to procedures for the nomination of Directors, shall not be altered, amended or repealed, and no provision inconsistent therewith shall be included in these Articles of Incorporation or the Bylaws of the Corporation, without the affirmative vote of the holders of at least eighty percent (80%) of the voting power of all the shares of the Voting Stock, voting together as a single class.

EIGHTH:

- (a) In addition to any affirmative vote required by law or these Articles of Incorporation, and except as otherwise expressly provided in subdivision (b) of this Article EIGHTH:
 - (1) any merger or consolidation of the Corporation or any Subsidiary (as hereinafter defined) with (a) any Interested Shareholder (as hereinafter defined) or (b) any other corporation (whether or not itself an Interested Shareholder) which is, or after such merger or consolidation would be, an Affiliate (as hereinafter defined) of an Interested Shareholder; or
 - (2) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions) to or with any Interested Shareholder or any Affiliate of any Interested Shareholder of any assets of the Corporation or any Subsidiary having an aggregate Fair Market Value of \$10,000,000 or more; or
 - (3) the issuance or transfer by the Corporation or any Subsidiary (in one transaction or a series of transactions) of any securities of the Corporation or any Subsidiary to any Interested Shareholder or any Affiliate of any Interested Shareholder in exchange for cash, securities or other property (or a combination thereof) having an aggregate Fair Market Value of \$10,000,000 or more; or

- (4) the adoption of any plan or proposal for the liquidation or dissolution of the Corporation proposed by or on behalf of an Interested Shareholder or any Affiliate of any Interested Shareholder; or
- (5) any reclassification of securities (including any reverse stock split), or recapitalization of the Corporation, or any merger or consolidation of the Corporation with any of its Subsidiaries or any other transaction (whether or not with or into or otherwise involving an Interested Shareholder) which has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of any class of equity or convertible securities of the Corporation or any Subsidiary which is directly or indirectly owned by any Interested Shareholder or any Affiliate of any Interested Shareholder;

shall require the affirmative vote of the holders of at least 80% of the voting power of all of the shares of the Voting Stock, voting together as a single class. Such affirmative vote shall be required notwithstanding the fact that no vote may be required or that the vote of a lower percentage may be specified, by law or in any agreement with any national securities exchange or otherwise. The term "Business Combination" as used in this Article EIGHTH shall mean any transaction which is referred to in any one or more of paragraphs (1) through (5) of this subdivision (a).

- (b) The provisions of subdivision (a) of this Article EIGHTH shall not be applicable to any particular Business Combination, and such Business Combination shall require only such affirmative vote, if any, as is required by law and any other provision of these Articles of Incorporation, if all of the conditions specified in either paragraph (1) or paragraph (2) below are met:

- (1) The Business Combination shall have been approved by a majority of the Continuing Directors (as hereinafter defined); or

- (2) All of the following conditions shall have been met:

- (A) The aggregate amount of the cash and the Fair Market Value (as hereinafter defined) as of the date of the consummation of the Business Combination of consideration other than cash to be received per share by holders of Common Stock in such Business Combination shall be at least equal to the highest of the following:

- (i) (if applicable) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the Interested Shareholder for any shares of Common Stock acquired by it (x) within the two-year period immediately prior to the date of the first public announcement of the proposal of the Business Combination (the "Announcement Date") or (y) in the transaction in which it became an Interested Shareholder, whichever is higher;
- (ii) the Fair Market Value per share of Common Stock on the Announcement Date or on the date on which the Interested Shareholder became an Interested Shareholder (the "Determination Date"), whichever is higher; and
- (iii) (if applicable) the price per share equal to the Fair Market Value per share of Common Stock determined pursuant to clause (A)(ii) above, multiplied by the ratio of (x) the highest per share price (including any brokerage commissions,

transfer taxes and soliciting dealers' fees) paid by the Interested Shareholder for any shares of Common Stock acquired by it within the two-year period immediately prior to the Announcement Date to (y) the Fair Market Value per share of Common Stock on the first day in such two-year period upon which the Interested Shareholder acquired any shares of Common Stock.

- (B) The aggregate amount of the cash and the Fair Market Value as of the date of the consummation of the Business Combination of consideration other than cash to be received per share by holders of shares of each class of outstanding Voting Stock (other than Common Stock and Institutional Voting Stock [as hereinafter defined]) shall be at least equal to the highest of the following (it being intended that the requirements of this subparagraph (B) shall be required to be met with respect to every class of outstanding Voting Stock (other than Institutional Voting Stock), whether or not the Interested Shareholder has previously acquired any shares of a particular class of Voting Stock):
- (i) (if applicable) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the Interested Shareholder for any shares of such class of Voting Stock acquired by it (x) within the two-year period immediately prior to the Announcement Date or (y) in the transaction in which it became an Interested Shareholder, whichever is higher;
 - (ii) (if applicable) the highest preferential amount per share to which the holders of shares of such class of Voting Stock are entitled in the event of any voluntary or involuntary dissolution, liquidation or winding up of the Corporation;
 - (iii) the Fair Market Value per share of such class of Voting Stock on the Announcement Date or on the Determination Date, whichever is higher; and
 - (iv) (if applicable) the price per share equal to the Fair Market Value per share of such class of Voting Stock determined pursuant to clause (B)(iii) above, multiplied by the ratio of (x) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the Interested Shareholder for any shares of such class of Voting Stock acquired by it within the two-year period immediately prior to the Announcement Date to (y) the Fair Market Value per share of such class of Voting Stock on the first day in such two-year period upon which the Interested Shareholder acquired any shares of such class of Voting Stock.
- (C) The consideration to be received by holders of a particular class of outstanding Voting Stock (including Common Stock) shall be in cash or in the same form as the Interested Shareholder has previously paid for shares of such class of Voting Stock. If the Interested Shareholder has paid for shares of any class of Voting Stock with varying forms of consideration, the form of consideration for such class of Voting Stock shall be either cash or the form used to acquire the largest number of shares of such class of Voting Stock previously acquired by it.
- (D) After such Interested Shareholder has become an Interested Shareholder and prior to the consummation of such Business Combination:

- (i) except as approved by a majority of the Continuing Directors, there shall have been no failure to declare and pay at the regular date therefor full dividends (whether or not cumulative) on the outstanding shares of stock of all classes ranking prior as to dividends to the Common Stock;
 - (ii) there shall have been (x) no reduction in the annual rate of dividends paid on the Common Stock (except as necessary to reflect any subdivision of the Common Stock), except as approved by a majority of the Continuing Directors, and (y) an increase in such annual rate of dividends as necessary to reflect any reclassification (including any reverse stock split), recapitalization, reorganization or any similar transaction which has the effect of reducing the number of outstanding shares of the Common Stock, unless the failure to so increase such annual rate is approved by a majority of the Continuing Directors; and
 - (iii) such Interested Shareholder shall not have become the beneficial owner of any additional shares of Voting Stock except as part of the transaction which results in such Interested Shareholder becoming an Interested Shareholder.
- (E) After such Interested Shareholder has become an Interested Shareholder, such Interested Shareholder shall not have received the benefit, directly or indirectly (except proportionately as a shareholder), of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by the Corporation, whether in anticipation of or in connection with such Business Combination or otherwise.
- (F) A proxy or information statement describing the proposed Business Combination and complying with the requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (or any subsequent provisions replacing such Act, rules or regulations) shall be mailed to shareholders of the Corporation at least 30 days prior to the consummation of such Business Combination (whether or not such proxy or information statement is required to be mailed pursuant to such Act or subsequent provisions).
- (c) For the purposes of this Article EIGHTH:

The terms "Affiliate" and "Associate" have the respective meanings ascribed to such terms in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as in effect on January 1, 1987.

A person shall be deemed to be a "beneficial owner" of any Voting Stock:

- (i) which such person or any of its Affiliates or Associates beneficially owns, directly or indirectly, or;
- (ii) which such person or any of its Affiliates or Associates has (a) the right to acquire (whether such right is exercisable immediately or only after the passage of time), pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise, or (b) the right to vote pursuant to any agreement, arrangement or understanding; or

- (iii) which is beneficially owned, directly or indirectly, by any other person with which such person or any of its Affiliates or Associates has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of any shares of Voting Stock.

For the purposes of determining whether a person is an Interested Shareholder the number of shares of Voting Stock deemed to be outstanding shall include all shares of which such person is the beneficial owner in accordance with the foregoing definition but shall not include any other shares of Voting Stock which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

The term "Continuing Director" means any member of the Board of Directors of the Corporation who is unaffiliated with the Interested Shareholder and was a member of the Board of Directors prior to the time that the Interested Shareholder became an Interested Shareholder, and any successor of a Continuing Director who is unaffiliated with the Interested Shareholder and is recommended to succeed a Continuing Director by a majority of Continuing Directors then on the Board of Directors.

The term "Fair Market Value" means (i) in the case of stock, the highest closing sale price during the 30-day period immediately preceding the date in question of a share of such stock on the Composite Tape for New York Stock Exchange-Listed Stocks, or, if such stock is not quoted on the Composite Tape, on the New York Stock Exchange, or, if such stock is not listed on such Exchange, on the principal United States securities exchange registered under the Securities Exchange Act of 1934, as amended, on which such stock is listed, or, if such stock is not listed on any such exchange, the highest closing bid quotation with respect to a share of such stock during the 30-day period preceding the date in question on the National Association of Securities Dealers, Inc. Automated Quotations System or any system then in use, or if no such quotations are available, the fair market value on the date in question of a share of such stock as determined by the Continuing Directors in good faith; and (ii) in the case of property other than cash or stock, the fair market value of such property on the date in question as determined by a majority of the Continuing Directors in good faith.

The term "Interested Shareholder" shall mean any person (other than the Corporation or any Subsidiary) who or which:

- (i) is the beneficial owner, directly or indirectly, of more than 10% of the voting power of the outstanding Voting Stock; or
- (ii) is an Affiliate of the Corporation and at any time within the two-year period immediately prior to the date in question was the beneficial owner, directly or indirectly, of 10% or more of the voting power of the then outstanding Voting Stock; or
- (iii) is an assignee of or has otherwise succeeded to any shares of Voting Stock which were at any time within the two-year period immediately prior to the date in question beneficially owned by any Interested Shareholder, if such assignment or succession shall have occurred in the course of a transaction or series of transactions not involving a public offering within the meaning of the Securities Act of 1933, as amended.

The term "Institutional Voting Stock" shall mean any class of Voting Stock which was issued to and continues to be held solely by one or more insurance companies, pension funds, commercial banks, savings banks or similar financial institutions or institutional investors.

The term "person" shall mean any individual, firm, corporation or other entity.

The term "Subsidiary" shall mean any corporation of which a majority of any class of equity security is owned, directly or indirectly, by the corporation; *provided, however*, that for the purposes of the definition of Interested Shareholder set forth above, the term "Subsidiary" shall mean only a corporation of which a majority of each class of equity security is owned, directly or indirectly, by the Corporation.

The term "Voting Stock" has the meaning ascribed to such term in Article FIFTH.

In the event of any Business Combination in which the Corporation survives, the phrase "consideration other than cash to be received" as used in paragraphs 2(A) and 2(B) of subdivision (b) of this Article EIGHTH shall include the shares of Common Stock and/or the shares of any other class of outstanding Voting Stock retained by the holders of such shares.

- (d) The Directors of the Corporation shall have the power and duty to determine for the purposes of this Article EIGHTH, on the basis of information known to them after reasonable inquiry, (A) whether a person is an Interested Shareholder, (B) the number of shares of Voting Stock beneficially owned by any person, (C) whether a person is an Affiliate or Associate of another person, (D) whether a class of Voting Stock is Institutional Voting Stock, and (E) whether the assets which are the subject of any Business Combination have, or the consideration to be received for the issuance or transfer of securities by the Corporation or any Subsidiary in any Business Combination has, an aggregate Fair Market Value of \$10,000,000 or more.

Nothing contained in this Article EIGHTH shall be construed to relieve any Interested Shareholder from any fiduciary obligation imposed by law.

Notwithstanding anything contained in these Articles of Incorporation to the contrary, the provisions of this Article EIGHTH shall not be altered, amended or repealed, and no provision inconsistent therewith shall be included in these Articles of Incorporation or the Bylaws of the Corporation, without the affirmative vote of the holders of at least eighty percent (80%) of the voting power of all of the shares of the Voting Stock, voting together as a single class.

IN WITNESS WHEREOF, we have set our hands and seals under these presents, this 16th day of May 2011.

**ARTICLE I.
Offices**

The principal office of the Corporation shall be in the City of Spokane, Washington. The Corporation may have such other offices, either within or without the State of Washington, as the Board of Directors may designate from time to time.

**ARTICLE II.
Shareholders**

Section 1. Annual Meeting. The Annual Meeting of Shareholders shall be held on such date in the month of May in each year as determined by the Board of Directors for the purpose of electing directors and for the transaction of such other business as may come before the meeting. If the day fixed for the Annual Meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day.

Section 2. Special Meetings. Special meetings of the shareholders may be called by the President, the Chairman of the Board, the majority of the Board of Directors, or the Executive Committee of the Board, and shall be called by the President at the request of the holders of not less than two-thirds (2/3) of the voting power of all shares of the voting stock voting together as a single class. Only those matters that are specified in the call of or request for a special meeting may be considered or voted at such meeting.

Section 3. Place of Meeting. Meetings of the shareholders, whether they be annual or special, shall be held at the principal office of the Corporation, unless a place, either within or without the state, is otherwise designated by the Board of Directors in the notice provided to shareholders of such meetings.

Section 4. Notice of Meeting. Written or printed notice of every meeting of shareholders shall be mailed by the Corporate Secretary or any Assistant Corporate Secretary, not less than ten (10) nor more than fifty (50) days before the date of the meeting, to each holder of record of stock entitled to vote at the meeting. The notice shall be mailed to each shareholder at his last known post office address, provided, however, that if a shareholder is present at a meeting, or waives notice thereof in writing before or after the meeting, the notice of the meeting to such shareholders shall be unnecessary.

Section 5. Voting of Shares. At every meeting of shareholders each holder of stock entitled to vote thereat shall be entitled to one vote for each share of such stock held in his name on the books of the Corporation, subject to the provisions of applicable law, and may vote and otherwise act in person or by proxy.

Section 6. Quorum. The holders of a majority of the number of outstanding shares of stock of the Corporation entitled to vote thereat, present in person or by proxy at any meeting, shall constitute a quorum, but less than a quorum shall have power to adjourn any meeting from time to time without notice. No change shall be made in this Section 6 without the affirmative vote of the holders of at least a majority of the outstanding shares of stock entitled to vote.

Section 7. Closing of Transfer Books or Fixing of Record Date. For the purposes of determining shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, or shareholders entitled to receive payment of any dividend, or in order to make a determination of shareholders for any other proper purpose, the Board of Directors of the Corporation may provide that the stock transfer books shall be closed for a stated period but not to exceed, in any case, fifty (50) days. If the stock transfer books shall be closed for the purpose of determining shareholders entitled to notice of or to vote at a meeting of shareholders, such books shall be closed for at least ten (10) days immediately preceding such meeting. In lieu of closing the stock transfer books, the Board of Directors may fix in advance a date as the record date for any such determination of shareholders, such date in any case to be not more than seventy (70) days and, in case of a meeting of shareholders, not less than ten (10) days prior to the date on which the particular action, requiring such determination of shareholders, is to be taken. When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this section, such determination shall apply to any adjournment thereof.

Section 8. Voting Record. The officer or agent having charge of the stock transfer books for shares of the Corporation shall make, at least ten (10) days before each meeting of shareholders, a complete record of the shareholders entitled to vote at such meeting or any adjournment thereof, arranged in alphabetical order, with the address of and the number of shares held by each, which record, for a period of ten (10) days prior to such meeting, shall be kept on file at the registered office of the Corporation. Such record shall be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any shareholder during the whole time of the meeting for the purposes thereof.

Section 9. Conduct of Proceedings. The Chairman of the Board shall preside at all meetings of the shareholders. In the absence of the Chairman, the President shall preside and in the absence of both, the Executive Vice President shall preside. The members of the Board of Directors present at the meeting may appoint any officer of the Corporation or member of the Board to act as Chairman of any meeting in the absence of the Chairman, the President, or Executive Vice President. The Corporate Secretary of the Corporation, or in his absence, an Assistant Corporate Secretary, shall act as Secretary at all meetings of the shareholders. In the absence of the Corporate Secretary or Assistant Corporate Secretary at any meeting of the shareholders, the presiding officer may appoint any person to act as Secretary of the meeting.

Section 10. Proxies. At all meetings of shareholders, a shareholder may vote in person or by proxy. A shareholder or the shareholder's duly authorized agent or attorney-in-fact may appoint a proxy by (i) executing a proxy in writing or (ii) transmitting or authorizing the transmission of an electronic proxy in any manner permitted by law. Such proxy shall be filed with the Corporate Secretary of the Corporation before or at the time of the meeting.

Section 11. Advance Notice of Business to be Presented at Annual Meeting. (a) Shareholders may propose business to be brought before the Annual Meeting of Shareholders only if (i) such business is a proper matter for shareholder action under the Washington Business Corporation Act and (ii) the shareholder has given timely notice in proper written form of such shareholder's intent to propose such business; (b) to be timely, a shareholder's notice relating to the Annual Meeting shall be delivered to the Corporate Secretary at the principal executive offices of the Corporation not less than 120 or more than 180 days prior to the first anniversary (the "Anniversary") of the date on which the Corporation first mailed its proxy materials for the preceding year's Annual Meeting of Shareholders. However, if the date of the Annual Meeting is advanced more than 30 days prior to or delayed by more than 30 days after the Anniversary of the preceding year's Annual Meeting, then notice by the shareholder to be timely must be delivered to the Corporate Secretary at the principal executive offices of the Corporation not later than the close of business on the later of (i) the 90th day prior to such Annual Meeting or (ii) the 15th day following the day on which public announcement of the date of such meeting is first made. In no event shall an adjournment of an Annual Meeting, or any announcement or notice of such an adjournment, commence a new time period for the giving of a shareholder's notice as set forth above; (c) to be in proper form a shareholder's notice to the Corporate Secretary shall be in writing and shall set forth (i) the name and address of the shareholder who intends to make the proposal and the classes and numbers of shares of the Corporation's capital stock owned of record by such shareholder, (ii) a representation that the shareholder intends to vote such stock at such meeting, (iii) a description of the business the shareholder intends to bring before the meeting, including such information as would be required to be included in a proxy statement filed pursuant to Regulation 14A promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), had the matter been proposed, or intended to be proposed, by the Board of Directors of the Corporation, (iv) the name and address of any beneficial owner(s) of the Corporation's stock on whose behalf such business is to be presented and the class and number of shares beneficially owned by each such beneficial owner (beneficial ownership to be determined pursuant to Rule 13d-3 under the Exchange Act) and (v) any material interest in such business of such shareholder or any such beneficial owner; (d) only such business as shall have been brought before the meeting in accordance with the procedures set forth in this Section 11 shall be conducted at an Annual Meeting of Shareholders. The Chairman of the meeting shall have the power and the duty to determine whether any business proposed to be brought before a meeting was proposed in accordance with the procedures set forth in this Section 11, and, if any business is not in compliance with this Section, to declare that such defective proposal shall be disregarded. The determination of the Chairman shall be conclusive; (e) notwithstanding the foregoing provisions of this Section 11, a shareholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 11. Nothing in this Section shall be deemed to expand or diminish any rights of a shareholder under Rule 14a-8 under the Exchange Act, or any successor rule to request inclusion of a proposal in the Corporation's proxy statement or to present for action at an Annual Meeting any proposal so included; and (f) only such business as shall have been brought before the meeting pursuant to the Corporation's notice of meeting shall be conducted at a special meeting of shareholders.

ARTICLE III.

Board of Directors

Section 1. General Powers. The powers of the Corporation shall be exercised by or under the authority of the Board of Directors, except as otherwise provided by the laws of the State of Washington and the Articles of Incorporation.

Section 2. Number, Tenure and Eligibility. The number of Directors of the Corporation shall be as fixed from time to time by resolution of the Board of Directors, but shall not be more than eleven (11); provided, however, that if the right to elect a majority of the Board of Directors shall have accrued to the holders of the Preferred Stock as provided in paragraph (1) of subdivision (j) of Article THIRD of the Articles of Incorporation, then, during such period as such holders shall have such right, the number of directors may exceed eleven (11). At each Annual Meeting of Shareholders, all directors shall stand for election each year for a term of office to expire at the next succeeding Annual Meeting of Shareholders after their election. Notwithstanding the foregoing, directors elected by the holders of the Preferred Stock in accordance with paragraph (1) of subdivision (j) of Article THIRD of the Articles of Incorporation shall be elected for a term, which shall expire not later than the next Annual Meeting of Shareholders. All directors shall hold office until the expiration of their term of office and until their successors shall have been elected and qualified. No person may be elected or re-elected as a director if at the time of their election or re-election, such person shall have attained the age of seventy (70) years. Any director who attains such age while in office shall retire from the Board of Directors effective at the Annual Meeting of Shareholders held in the year in which their then current term expires, and any such director shall not be nominated or re-elected as a director.

Section 3. Regular Meetings. The regular Annual Meeting of the Board of Directors shall be held immediately following the adjournment of the Annual Meeting of the shareholders or as soon as practicable after said Annual Meeting of Shareholders. But, in any event, said regular Annual Meeting of the Board of Directors must be held on either the same day as the Annual Meeting of Shareholders or the next business day following said Annual Meeting of Shareholders. At such meeting the Board of Directors, including directors newly elected, shall organize itself for the coming year, shall elect officers of the Corporation for the ensuing year, and shall transact all such further business as may be necessary or appropriate. The Board shall hold regular quarterly meetings, without call or notice, on such dates as determined by the Board of Directors. At such quarterly meetings the Board of Directors shall transact all business properly brought before the Board.

Section 4. Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the Chairman of the Board, the President, the Executive Vice President, the Lead Director or any three (3) directors. Notice of any special meeting shall be given to each director at least two (2) days in advance of the meeting.

Section 5. Emergency Meetings. In the event of a catastrophe or a disaster causing the injury or death to members of the Board of Directors and the principal officers of the Corporation, any director or officer may call an emergency meeting of the Board of Directors.

Notice of the time and place of the emergency meeting shall be given not less than two (2) days prior to the meeting and may be given by any available means of communication. The director or directors present at the meeting shall constitute a quorum for the purpose of filling vacancies determined to exist. The directors present at the emergency meeting may appoint such officers as necessary to fill any vacancies determined to exist. All appointments under this section shall be temporary until a special meeting of the shareholders and directors is held as provided in these Bylaws.

Section 6. Conference by Telephone. The members of the Board of Directors, or of any committee created by the Board, may participate in a meeting of the Board or of the committee by means of a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation in a meeting by such means shall constitute presence in person at a meeting.

Section 7. Quorum. A majority of the number of directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors. The action of a majority of the directors present at a meeting at which a quorum is present shall be the action of the Board.

Section 8. Action Without a Meeting. Any action required by law to be taken at a meeting of the directors of the Corporation, or any action which may be taken at a meeting of the directors or of a committee, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors, or all of the members of the committee, as the case may be. Such consent shall have the same effect as a unanimous vote.

Section 9. Vacancies. Subject to the provisions of paragraph (1) of subdivision (j) of Article THIRD of the Articles of Incorporation, (a) any vacancy occurring in the Board of Directors may be filled by the affirmative vote of a majority of the remaining directors though less than a quorum of the Board of Directors and any director so elected to fill a vacancy shall be elected for the unexpired term of his or her predecessor in office and (b) any directorship to be filled by reason of an increase in the number of directors may be filled by the Board of Directors for a term of office continuing only until the next election of directors by the shareholders.

Section 10. Resignation of Director. Any director or member of any committee may resign at any time. Such resignation shall be made in writing and shall take effect at the time specified therein. If no time is specified, it shall take effect from the time of its receipt by the Corporate Secretary, who shall record such resignation, noting the day, hour and minute of its reception. The acceptance of a resignation shall not be necessary to make it effective.

Section 11. Removal. Subject to the provisions of paragraph (1) of subdivision (j) of Article THIRD of the Articles of Incorporation, any director may be removed from office at any time, but only for cause and only by the affirmative vote of the holders of at least a majority of the voting power of all of the shares of capital stock of the Corporation entitled generally to vote in the election of directors voting together as a single class, at a meeting of shareholders called expressly for that purpose. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

Section 12. Order of Business. The Chairman of the Board shall preside at all meetings of the directors. In the absence of the Chairman, the officer or member of the Board designated by the Board of Directors shall preside. At meetings of the Board of Directors, business shall be transacted in such order as the Board may determine. Minutes of all proceedings of the Board of Directors, or committees appointed by it, shall be prepared and maintained by the Corporate Secretary or an Assistant Corporate Secretary and the original shall be maintained in the principal office of the Corporation.

Section 13. Nomination of Directors. Subject to the provisions of paragraph (1) of subdivision (j) of Article THIRD of the Articles of Incorporation, nominations for the election of directors may be made by the Board of Directors, or a nominating committee appointed by the Board of Directors, or by any holder of shares of the capital stock of the Corporation entitled generally to vote in the election of directors (such stock being hereinafter in this Section called "Voting Stock"). However, any holder of shares of the Voting Stock may nominate one or more persons for election as directors at a meeting only if written notice of such shareholder's intent to make such nomination or nominations has been given, either by personal delivery or by United States mail, postage prepaid, to the Corporate Secretary not later than (i) with respect to an election to be held at an Annual Meeting of Shareholders, ninety (90) days in advance of such meeting and (ii) with respect to an election to be held at a special meeting of shareholders for the election of directors, the close of business on the seventh day following the date on which notice of such meeting is first given to shareholders. Each such notice shall set forth: (a) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (b) a representation that such shareholder is a holder of record of shares of the Voting Stock of the Corporation and intends to appear in person or by proxy at the meeting to nominate the person or persons identified in the notice; (c) a description of all arrangements or understandings between such shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by such shareholder; (d) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement under the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (or any subsequent revisions replacing such Act, rules or regulations) if the nominee(s) had been nominated, or were intended to be nominated, by the Board of Directors; and (e) the consent of each nominee to serve as a Director of the Corporation if so elected. The Chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

Section 14. Presumption of Assent. A director of the Corporation who is present at a meeting of the Board of Directors, or of a committee thereof, at which action on any corporate matter is taken, shall be presumed to have assented to the action unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Corporate Secretary of the Corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

ARTICLE IV.
Executive Committee
and
Additional Committees

Section 1. Appointment. The Board of Directors, by resolution adopted by a majority of the Board, may designate three or more of its members to constitute an Executive Committee. The designation of such committee and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed by law.

Section 2. Authority. The Executive Committee, when the Board of Directors is not in session, shall have and may exercise all of the authority of the Board of Directors including authority to authorize distributions or the issuance of shares of stock, except to the extent, if any, that such authority shall be limited by the resolution appointing the Executive Committee or by law.

Section 3. Tenure. Each member of the Executive Committee shall hold office until the next regular Annual Meeting of the Board of Directors following his designation and until his successor is designated as a member of the Executive Committee.

Section 4. Meetings. Regular meetings of the Executive Committee may be held without notice at such times and places as the Executive Committee may fix from time to time by resolution. Special meetings of the Executive Committee may be called by any member thereof upon not less than two (2) days notice stating the place, date and hour of the meeting, which notice may be written or oral. Any member of the Executive Committee may waive notice of any meeting and no notice of any meeting need be given to any member thereof who attends in person.

Section 5. Quorum. A majority of the members of the Executive Committee shall constitute a quorum for the transaction of business at any meeting thereof. Actions by the Executive Committee must be authorized by the affirmative vote of a majority of the appointed members of the Executive Committee.

Section 6. Action Without a Meeting. Any action required or permitted to be taken by the Executive Committee at a meeting may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the members of the Executive Committee.

Section 7. Procedure. The Executive Committee shall select a presiding officer from its members and may fix its own rules of procedure, which shall not be inconsistent with these Bylaws. It shall keep regular minutes of its proceedings and report the same to the Board of Directors for its information at a meeting thereof held next after the proceedings shall have been taken.

Section 8. Committees Additional to Executive Committee. The Board of Directors may, by resolution, designate one or more other committees, each such committee to consist of two (2) or more of the directors of the Corporation. A majority of the members of any such

committee may determine its action and fix the time and place of its meetings unless the Board of Directors shall otherwise provide.

ARTICLE V.

Officers

Section 3. Ratification of Acts of Director, Officer or Shareholder. Excerpt of Minutes of the
Meeting of the Board of Directors held
On February 5, 2020

Ms. Widmann advised the Board that the Company's existing \$400,000,000 Credit Agreement among the Company, The Bank of New York Mellon, as Documentation Agent, KeyBank National Association, as Documentation Agent, U.S. Bank National Association, as Documentation Agent, Wells Fargo Bank, as Syndication Agent and an Issuing Bank, Union Bank, N.A, as Administrative Agent and an Issuing Bank, and the lenders named therein (the "Existing Credit Facility") would by its terms expire on April 18, 2021.

Ms. Widmann explained that the Company has been advised that several banks that are currently lenders to the Company under the Existing Credit Facility have expressed a willingness to participate in a new credit facility (the "New Credit Facility") which would amend, amend and restate or replace the Existing Credit Facility. She further explained that the New Credit Facility, like the Existing Credit Facility, may be secured by a series of bonds ("First Mortgage Bonds") issued under the Company's Mortgage and Deed of Trust, dated as of June 1, 1939, as heretofore amended and supplemented and to be further supplemented by an appropriate Supplemental Indenture, and that any such First Mortgage Bonds would be issued in an aggregate principal amount equal to the amount of total commitment under the New Credit Facility.

Ms. Widmann advised the Board that the Finance Committee was recommending that the directors (1) authorize the appropriate Officers of the Company to (a) discuss and negotiate with banks or others which may act as agents for the establishment of the New Credit Facility and (b) file applications, as necessary, with the various state regulatory commissions exercising jurisdiction over the Company for authority to enter into the New Credit Facility, and (2) delegate to the appropriate Officers of the Company all authority to approve, execute and deliver the New Credit Facility.

After discussion, the following resolutions were moved, seconded and unanimously adopted:

BE IT RESOLVED that, subject to the receipt of all required regulatory approvals, the Board of Directors hereby authorizes amending, amending and restating, or replacing the Existing Credit Facility under which the Company may borrow an aggregate principal amount of up to Four Hundred Million Dollars (\$400,000,000) at any time (with the option to increase the aggregate principal amount up to Five Hundred Million Dollars (\$500,000,000)) in total (the "New Credit Facility"), which (1) may be secured by delivery of securities ("First Mortgage Bonds") issued under the Company's Mortgage and Deed of Trust, dated as of June 1, 1939, to Citibank, N.A., as trustee (the "Trustee"), as amended and supplemented (the "Mortgage"), (2) may provide for interest at fixed or floating rates, (3) may be for a term of up to five (5) years expiring in 2025, (and also potentially including an option to extend the term at some time prior to its expiration), and (4) may contain such other terms, covenants and conditions, all as may be approved by the appropriate Officers of the Company in light of prevailing financial market conditions (such approval to be evidenced conclusively by the execution thereof); and

BE IT RESOLVED FURTHER that the appropriate Officers of the Company are hereby authorized and empowered to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of the New Credit Facility, and to execute and deliver all applications, agreements, filings, notices, and other documents, and to pay any associated fees and expenses, all as may be necessary or convenient for the Company to negotiate and agree upon the final terms and documentation for agreements with banks or others which might act as agents and issuing banks for the New Credit Facility; and

BE IT RESOLVED FURTHER that the appropriate Officers of the Company are hereby authorized and empowered to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of, execute and deliver all applications, agreements, filings, notices, and other documents as may be necessary or convenient to cause the Company to file with the Washington Utilities and Transportation Commission, the Idaho Public Utilities Commission, the Public Utility Commission of Oregon, and the public utilities commissions of any other state or any other regulatory authority having jurisdiction over the Company, any necessary or appropriate applications for authority to enter into the New Credit Facility and to secure the New Credit Facility with First Mortgage Bonds, together with any and all such amendments or supplements to such applications, agreements, filings, notices and other documents or any amendments thereto, as in the judgment of such Officers may appear necessary or desirable; and

BE IT RESOLVED FURTHER that the Board of Directors does hereby delegate to the appropriate Officers of the Company all further authority to approve and determine the terms of the New Credit Facility and the manner, terms and conditions of the New Credit Facility, which may be secured by delivery of securities issued under the Mortgage, may provide for interest at fixed or floating rates, may be for a term of up to five (5) years (and may potentially include an

option to extend the term) and may contain such other terms, covenants and conditions, all as may be determined by the appropriate Officers of the Company in light of prevailing financial market conditions (such approval to be evidenced conclusively by execution of any application, agreement, filing, notice or other document containing any such provisions by such Officer executing the same); and

BE IT RESOLVED FURTHER that the foregoing authority delegated to the appropriate Officers of the Company shall include the authority: (1) to approve commitment letters, together with any engagement letters, term sheets and separate fee letters, for the New Credit Facility in an initial aggregate amount not to exceed Four Hundred Million Dollars (\$400,000,000), which commitment letters, engagement letters, term sheets and fee letters may include an option to increase the aggregate amount of the New Credit Facility after closing up to Five Hundred Million Dollars (\$500,000,000) in total and additionally may include an option to extend the term up beyond 2025 (the authority to approve and ultimately exercise any such options being hereby delegated to the appropriate Officers of the Company), and to authorize and empower the appropriate Officers of the Company to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of, execute and deliver all applications, agreements, filings, notices, and other documents (including such commitment letters, engagement letters, term sheets and fee letters), and to pay any associated fees and expenses, all as may be necessary or convenient to cause the Company to negotiate and agree upon the final terms and documentation for the New Credit Facility; (2) to select or approve banks and others to be parties to the New Credit Facility and their respective roles, including the selection or approval of banks and others to act as agents and issuing banks; (3) to authorize and empower the appropriate Officers of the Company to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of, execute and deliver all applications, agreements, filings, notices, and other documents, and to pay any associated fees and expenses, all as may be necessary or convenient to cause the Company to obtain the New Credit Facility, consistent with the final terms (including the authority to execute such certificates as to factual matters and other instruments and documents as may be necessary or convenient to carry out the purposes of the foregoing resolutions); and (4) to approve of the form of a supplemental indenture to the Mortgage, a form of First Mortgage Bond and any other instruments and/or documents, providing for one or more series of First Mortgage Bonds of the Company to be issued under and secured by the Mortgage, in an initial principal amount of \$400,000,000, being the same as the initial amount of the commitment under the New Credit Facility (subject to increase after closing to the increased commitment under the New Credit Facility in the same shall have been increased, but in no event to exceed \$500,000,000 in total), to be delivered to the lenders under the New Credit Facility for the purpose of securing the Company's obligations thereunder; (5) having a state maturity for up to five (5) years, the stated maturity to be the same as the expiration date of the New Credit Facility (subject to extension to the expiration date of the New Credit Facility if the same shall be extended) and (6) bearing interest at a fixed rate determined by the proper officers of the Company not to exceed [8]% per annum; and

BE IT RESOLVED FURTHER that the appropriate Officers of the Company are hereby authorized to take the following actions in connection with any increase in the aggregate principal amount of the New Credit Facility beyond its initial principal amount and/or any extension of the term: (1) to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of, execute and deliver all applications, agreements, filings, notices, and other documents, and to pay any associated fees and expenses, all as may be necessary or convenient to cause the Company to obtain such increased aggregate principal amount and/or any extension of the term (including authority to execute such certificates as to factual matters and other instruments and documents as may be necessary or convenient to carry out the purposes of the foregoing resolutions); and (2) (a) to approve of the form of an additional supplemental indenture to the Mortgage, if necessary, a form of First Mortgage Bond and any other instruments and/or documents, providing for First Mortgage Bonds in a principal amount equal to the amount of the increase in commitment under the New Credit Facility, as so increased, to be delivered to the lenders under the Amended Credit Facility and maturing and bearing interest as authorized above or (b) in the alternative, (and in any event if the term of the New Credit Facility is being extended) First Mortgage Bonds equal in principal amount to the total commitment under the New Credit Facility, as so increased, to be delivered to the lenders under the New Credit Facility in exchange for and replacement of the First Mortgage Bonds previously issued and delivered to such lenders; and

BE IT RESOLVED FURTHER that the appropriate Officers of the Company are hereby authorized and empowered, in the Company's name and behalf, to execute, file and deliver such further documents and to do all such other and further acts and things, including the payment of any associated fees and expenses, as, in their judgment, may appear necessary or desirable to carry out the establishment of the New Credit Facility, and any increase in the aggregate principal amount thereof or extension of the term thereof, consistent with these resolutions and the issuance and delivery of First Mortgage Bonds to secure the Company's obligations thereunder, in accordance with, and generally to consummate the purposes of, the foregoing resolutions; and

BE IT RESOLVED FURTHER that, in connection with the entry into the New Credit Facility, the appropriate Officers of the Company are hereby authorized and empowered, in the Company's name and behalf, to execute, file and deliver such documents and to do all such other and further acts and things, including the payment of associated fees and expenses, as, in their judgment, may appear necessary or desirable to cause the repayment in full and termination of the Existing Credit Facility if required, and the related surrender to the Company (or upon its order) of the First Mortgage Bonds securing the Company's obligations thereunder, in accordance with, and generally to consummate the purposes of, the foregoing resolutions; and

BE IT RESOLVED FURTHER that, until further action by the Board of Directors, each of the following is hereby appointed counsel to render Opinions of Counsel under the Mortgage:

NOTE 21. COMMITMENTS AND CONTINGENCIES

In the course of its business, the Company becomes involved in various claims, controversies, disputes and other contingent matters, including the items described in this Note. Some of these claims, controversies, disputes and other contingent matters involve litigation or other contested proceedings. For all such matters, the Company intends to vigorously protect and defend its interests and pursue its rights. However, no assurance can be given as to the ultimate outcome of any particular matter because litigation and other contested proceedings are inherently subject to numerous uncertainties. For matters that affect Avista Utilities' or AEL&P's operations, the Company intends to seek, to the extent appropriate, recovery of incurred costs through the ratemaking process.

Collective Bargaining Agreements

The Company's collective bargaining agreements with the IBEW represent approximately 45 percent of all of Avista Utilities' employees. A three-year agreement with the local union in Washington and Idaho representing the majority (approximately 90 percent) of the Avista Utilities' bargaining unit employees will expire in March 2021. A three-year agreement in Oregon, which covers approximately 50 employees will also expire on April 1, 2020.

The Company is in the process of negotiating new agreements with each of these represented bargaining units. However, there is a risk that if collective bargaining agreements expire and new agreements are not reached in each of our jurisdictions, employees could strike. Given the magnitude of employees that are covered by collective bargaining agreements, this could result in disruptions to our operations. However, the Company believes that the possibility of this occurring is remote.

Legal Proceedings Related to the Terminated Acquisition by Hydro One

See Note 24 for information regarding the termination of the proposed acquisition of the Company by Hydro One.

In connection with the now terminated acquisition, three lawsuits were filed in the United States District Court for the Eastern District of Washington and were subsequently voluntarily dismissed by the plaintiffs.

One lawsuit was filed in the Superior Court for the State of Washington in and for Spokane County, captioned as follows:

- *Fink v. Morris, et al.*, No. 17203616-6 (filed September 15, 2017, amended complaint filed October 25, 2017).

The complaint generally alleged that the members of the Board of Directors of Avista Corp. breached their fiduciary duties by, among other things, conducting an allegedly inadequate sale process and agreeing to the acquisition at a price that allegedly undervalued Avista Corporation, and that Hydro One Limited, Olympus Holding Corp., and Olympus Corp. aided and abetted those purported breaches of duty. The complaint sought various remedies, including monetary damages, attorneys' fees and expenses. Subsequent to the termination of the proposed acquisition in January 2019, the complaint was voluntarily dismissed by the plaintiffs.

2015 Washington General Rate Cases

In January 2016, the Company received an order (Order 05) that concluded its electric and natural gas general rate cases that were originally filed with the WUTC in February 2015. New electric and natural gas rates were effective on January 11, 2016.

WUTC Order Denying Industrial Customers of Northwest Utilities / Public Counsel Joint Motion for Clarification, WUTC Staff Motion to Reconsider and WUTC Staff Motion to Reopen Record

In January 2016, the Industrial Customers of Northwest Utilities, the Public Counsel Unit of the Washington State Office of the Attorney General (PC) and the WUTC Staff, which is a separate party in the general rate case proceedings from the WUTC Advisory Staff, filed Motions for Clarification requesting the WUTC to clarify their attrition adjustment and the end result electric revenue amounts. The Motions for Clarification suggested that the electric revenue decrease should have been significantly larger than what was included in Order 05.

In February 2016, the WUTC issued an order (Order 06) denying the Motions summarized above and affirming Order 05, including an \$8.1 million decrease in electric base revenue.

PC Petition for Judicial Review

In March 2016, PC filed in Thurston County Superior Court a Petition for Judicial Review of the WUTC's Order 05 and Order 06 described above. In April 2016, this matter was certified for review directly by the Court of Appeals, an intermediate appellate court in the State of Washington.

On August 7, 2018, the Court of Appeals issued a "Published Opinion" (Opinion) which concluded that the WUTC's use of an attrition allowance to calculate Avista Corp.'s rate base violated Washington law. In the Opinion, the Court stated that because the projected additions to rate base in the future were not "used and useful" for service at the time the request for the rate increase was made, they may not lawfully be included in the Company's rate base to justify a rate increase. Accordingly, the Court concluded that the WUTC erred in including an attrition allowance in the calculation of Avista Corp.'s electric and natural gas rate base. The Court noted, however, that the law does not prohibit an attrition allowance in the calculation, for ratemaking purposes, of recoverable operating and maintenance expense. Since the WUTC order provided one lump sum attrition allowance without distinguishing what portion was for rate base and which was for operating and maintenance expenses or other considerations, the Court struck all portions of the attrition allowance attributable to Avista Corp.'s rate base and reversed and remanded the case for the WUTC to recalculate Avista Corp.'s rates without including an attrition allowance in the calculation of rate base. On October 1, 2018, the Court of Appeals terminated its review of this case, remanding it back to the Thurston County Superior Court.

During 2019, other parties in the case filed testimony and based on the testimony filed (including Avista Corp.'s testimony) the Company believes the range for a refund to customers is approximately \$3.6 million to approximately \$77.0 million. The other parties justified the proposed refund by claiming that the rates in question were in effect from 2016 to April 2018 as opposed to the 11 months argued by Avista Corp. Further, the parties asserted that the WUTC should, directly or indirectly, correct what they believe is a power supply calculation error (approximately \$20.0 million), an issue that the WUTC already addressed and which the Company believes the Courts did not remand back to the WUTC for further process. While not its primary recommendation for a refund, the WUTC Staff included an alternative refund methodology in its testimony, which Avista Corp. calculates as calling for a refund of \$3.6 million, if limited to the 11 month period and if other adjustments are made. While the Company does not agree as a legal matter with the positions of the other parties to the case, as a practical matter the Company believes that it is probable that it will refund some amount to customers. As such, as of December 31, 2019, the Company recorded a refund liability of \$3.6 million, which represents the low-end of the range, as we cannot predict an outcome of this case.

Boyd's Fire (State of Washington Department of Natural Resources v. Avista)

On August 19, 2019, the Company was served with a complaint filed by the State of Washington Department of Natural Resources, seeking recovery of fire suppression costs and related expenses incurred in connection with a wildfire that occurred in Ferry County, Washington in August 2018. Specifically, the complaint alleges that the fire, which became known as the "Boyd's Fire," was caused by a dead ponderosa pine tree falling into an overhead distribution line, and that Avista Corp. was negligent in failing to identify and remove it before the tree came into contact with the line. Avista Corp. disputes that the tree in question was the cause of the fire, and that it was negligent in failing to identify and remove it. The case is in the early stages of discovery and the plaintiff has not yet provided a statement specifying damages. Because the resolution of this claim remains uncertain, legal counsel cannot express an opinion on the extent, if any, of the Company's liability, nor is it possible for the Company to estimate the impact of any outcome at this time. The Company intends to vigorously defend itself in the litigation.

Other Contingencies

In the normal course of business, the Company has various other legal claims and contingent matters outstanding. The Company believes that any ultimate liability arising from these actions will not have a material impact on its financial condition, results of operations or cash flows. It is possible that a change could occur in the Company's estimates of the probability or amount of a liability being incurred. Such a change, should it occur, could be significant.

The Company routinely assesses, based on studies, expert analysis and legal reviews, its contingencies, obligations and commitments for remediation of contaminated sites, including assessments of ranges and probabilities of recoveries from other

responsible parties who either have or have not agreed to a settlement as well as recoveries from insurance carriers. The Company's policy is to accrue and charge to current expense identified exposures related to environmental remediation sites based on estimates of investigation, cleanup and monitoring costs to be incurred. For matters that affect Avista Utilities' or AEL&P's operations, the Company seeks, to the extent appropriate, recovery of incurred costs through the ratemaking process.

The Company has potential liabilities under the Endangered Species Act for species of fish, plants and wildlife that have either already been added to the endangered species list, listed as "threatened" or petitioned for listing. Thus far, measures adopted and implemented have had minimal impact on the Company. However, the Company will continue to seek recovery, through the ratemaking process, of all operating and capitalized costs related to these issues.

Under the federal licenses for its hydroelectric projects, the Company is obligated to protect its property rights, including water rights. In addition, the Company holds additional non-hydro water rights. The State of Montana is examining the status of all water right claims within state boundaries through a general adjudication. Claims within the Clark Fork River basin could adversely affect the energy production of the Company's Cabinet Gorge and Noxon Rapids hydroelectric facilities. The state of Idaho has initiated adjudication in northern Idaho, which will ultimately include the lower Clark Fork River, the Spokane River and the Coeur d'Alene basin. The Company is and will continue to be a participant in these and any other relevant adjudication processes. The complexity of such adjudications makes each unlikely to be concluded in the foreseeable future. As such, it is not possible for the Company to estimate the impact of any outcome at this time. The Company will continue to seek recovery, through the ratemaking process, of all operating and capitalized costs related to this issue.
