Re: Violation of Oregon Utility Notification Center Rules
DOJ File No. 860140-GB0529-19/ Docket No. NC 393

**PLEASE READ ALL DOCUMENTS CAREFULLY –
DIRECT ALL CORRESPONDENCE TO THE PUBLIC UTILITY COMMISSION OF OREGON**

On August 22, 2019, a representative from your company participated in a telephone conference with the Enforcement Committee to discuss an alleged rule violation. At that conference, an agreement was reached regarding penalties for the violation.

Enclosed are two sets of documents that contain a Complaint and a Stipulation. The Complaint serves as a formal notice to you of the violation you were charged with and requires that you Answer the allegation. Because you already reached an agreement with the Enforcement Committee, you do not need to submit an Answer. Instead, you need only sign and return the enclosed Stipulation in order to answer the Complaint. If you had not reached an agreement with the Enforcement Committee, filing an Answer would be your opportunity to admit or deny the allegation and, if denied, to ask for a formal hearing.

The Stipulation sets forth the terms and conditions of the agreement you reached with the Enforcement Committee. To finalize the settlement, **you must sign the original Stipulation and mail it within 20 days of the date of this letter to:**

**Public Utility Commission of Oregon
Administrative Hearings Division
P.O. Box 1088
Salem OR 97308-1088**

The Commission should issue an order adopting the Stipulation within 30 days of its receipt. Please retain the extra copy of the Stipulation for your files.

If for some reason you no longer agree to the terms of the Stipulation, you **MUST FILE AN ANSWER TO THE COMPLAINT**, admitting or denying the allegation within 20 days, or a default order may be issued.
