IN THE MATTER OF
SERVICE ALLOCATION

PETITION

WHEREAS, the Public Utilities Commission has heretofore allocated certain utilities service areas to Pacificorp (PP&L) and Hood River Electric Cooperative; and

WHEREAS, the service boundary for the property owned by Moore bisects said Tax Lot 501 at 2N 11E Sec. 7, County of Hood River, State of Oregon; and

WHEREAS, the most efficient allocation would be to have Tax Lot 501 served entirely by Hood River Electric Cooperative by extending that service on the entirety of said Tax Lot 501 as described; and

WHEREAS, Hood River Electric Cooperative can serve the entire tax lot at a fraction of the cost to the owners; should the owners be required to connect with Pacificorp.
