Filing Center:

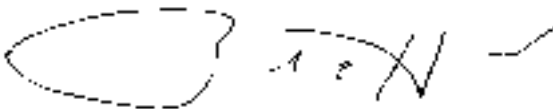

This letter is to request a waiver of the biennial filing requirement for State Access rates for Beaver Creek Cooperative Telephone Company.

Based on our projections of 2005 cost and demand there would be minimal changes to the rates. The enclosed booklet contains material in support of Beaver Creek's waiver request.

Please note that we are requesting no change in rates as the projected revenue requirement for state access is within \$8,500 of the revenue that would be generated applying current rates to the projected demand.

If you have any questions, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul E. Hauer", with a checkmark at the end.

Paul E. Hauer  
Executive Vice President
