Subject: AR 506 - Comments of the Oregon Cable Telecommunications Association

Dear Clerk:

Although the Oregon Cable Telecommunications Association (OCTA) plans to participate actively in this docket, OCTA does not see a need to file substantive comment at this stage of the proceeding on the Division 24 rules. Several of OCTA's members are active participants in the Oregon Joint Use Association (OJUA). In a laudable example of industry collaboration, the OJUA has reached a consensus position on the draft Division 24 rules. OCTA understands that the OJUA will be submitting comments this date reflecting that consensus. OCTA expresses its support for the to-be-filed OJUA comments. In the unlikely event OCTA disagrees with any OJUA position, OCTA will file appropriate reply comments.

Very truly yours,

Brooks E. Harlow
