Forth appreciates the opportunity to provide comments regarding Staff's draft proposed rules for Docket no. AR 609, Transportation Electrification Plans.

Forth would like to propose the following edits to 4 (c): "A discussion of how the utility's TE Plan, investments, programs, and actions accelerate transportation electrification and extend access to low- and moderate-income groups;

Forth proposes: "A discussion of how the utility's TE Plan, investments, programs, and actions accelerate transportation electrification *and addresses barriers to adoption in and how to* extend access to low- and moderate-income groups.

Thank you for your consideration of these comments.

Sincerely,

Kelly Yearick
