Re: CP 1283 – Lightspeed Networks, Inc.

Dear Judge Grant:

You set a Scheduling Order in place with your ruling of July 27, 2005. Your Scheduling Order allowed Mr. Alvis until Friday, September 9, 2005 within which to file any objections he had to the proposed Order, limited to the matters allowed in your ruling of July 27th.

We have checked with the Commission staff and have confirmed that Mr. Alvis did not submit any objections. Even though your Order granted my client, Lightspeed Networks, Inc., additional time to reply, no reply will be necessary given Mr. Alvis' failure to file any objections.

If the Court or staff needs any additional information from Lightspeed Networks, contact me directly. We would hope that this matter will be resolved as quickly as possible so our service to the Public would be allowed to continue.

The Honorable Mark Grant
In the Matter of Lightspeed Networks, Inc.
