**Re: UE 245 – Noble Americas Energy Solutions LLC’s Letter Filing Regarding
Additional Edits to the Transcript**

Dear Administrative Law Judge Pines:

Pursuant to the Ruling dated September 14, 2012, parties are to object to the proposed edits to the transcript set forth in the Ruling by September 21, 2012. Noble Americas Energy Solutions LLC (“Noble Solutions”) hereby requests two additional edits to the transcript from the evidentiary hearing in this matter. The two additional edits are as follows:

Page 23, line 10: insert <what> after <about>
Page 47, line 14: delete <free>

Noble Solutions circulated these proposed edits the other parties on September 12, 2012, and no parties have yet voiced an objection to these edits. These edits were omitted from the list submitted by the court reporter and included in the Ruling only because I was away from the office at the time the list was compiled. Noble Solutions proposes that these edits be made to the final transcript, subject to any objections lodged by September 21, 2012.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Greg Adams", written over a white background.
