7 Request for a General Rate Revision.

UPDATE TO PROPOSED PROCESS TO
CONDUCT REVENUE REQUIREMENT/RATE
SPREAD SCENARIOS

8
9 On July 12, 2021, the Administrative Law Judge (ALJ) issued a prehearing conference
10 memorandum ordering the parties to address the process for running revenue requirement and
11 rate spread models after the close of the record. On August 3, 2021, the ALJ issued a Prehearing
12 Conference Memorandum specifying that the Proposal for Process to Conduct Revenue
13 Requirement/Rate Spread Process Scenarios is due on August 30, 2021. Staff obtained an
14 extension of this filing date to September 13, 2021, to accommodate for additional discussions
15 with Portland General Electric (PGE). Staff filed the proposed process in the form of a Services
16 Agreement between the Oregon Public Utility Commission and Portland General Electric (PGE)
17 in this docket on September 14, 2021. The ALJ has not ruled on the proposed process as of the
18 date of this filing.

19 PGE and Staff of the Oregon Public Utility Commission (Staff) have updated the
20 proposed Services Agreement for the consideration of the ALJ. There are two updates provided
21 in the proposed Services Agreement filed herein. The first change is to alter the length of the
22 Agreement from the time that the case is under advisement to two years from the date of a final
23 order by the Commission in the docket. This change is found in Section 2 of the Agreement.
24 The second change is to add an “Acknowledgement of Confidentiality” provision that states both
25 parties understand that the confidentiality of communications between the Commission and the
26 Company are of the utmost importance. This change is found in Section 8 of the Agreement.

1 **CONCLUSION**

2 An updated proposed Services Agreement that would allow PGE employees to conduct
3 Revenue Requirement/Rate Spread Scenario modeling while the case is under advisement is
4 attached to this filing.
