Gardner Capital Solar Development, LLC (“Gardner Solar”) is filing this response to the Staff of the Public Utility Commission of Oregon’s Motion to Modify Procedural Schedule which was filed today.

Staff’s motion indicates that Gardner Solar objects to the proposed due dates in the motion. (page 1, lines 19-20) This is not accurate. Gardner Solar replied to all parties today in response to Staff’s email discussing a proposed motion that it supported Staff’s request for an extension and it continues to do so.
