Subject: UM 2178

Commissioners: Please include in your public comments in this matter at the public hearing this afternoon my written comments submitted May 28, 2022, to Kim Herb et al, OPUC staff. If there is time for me to testify remotely at today's hearing, please sign me up and let me know that this has been completed. My own schedule today is difficult but I will make every effort to be available to the Commission in this important proceeding.
