Hi PUC Filing Center & Judge Nolan,

a. For the subgrants, we anticipate Comunidades, fiscally sponsored by Columbia Riverkeeper, and Oregon Rural Action. I will update you all if this changes. They are both eligible for the work. They are both located within the utility territories (respectively NWN & PacificCorps. OJTA serves all territories).

b. This assumption is correct, they would complete the work outlined in the proposal.

Regarding the utility budget, we have updated it to be pulling roughly the same amount from each utility; \$33k from PGE, \$33k from PacificCorps, and \$33k from Northwest Natural.

Finally, we are requesting that the funds be distributed after July 1, 2023.

Please let me know if you have any other questions.

Thank you,
Simone Crowe
