

the Staff Report were beyond the scope of the Staff's Motion.

The findings in the Staff's Report could have a significant impact on CRRWC's operations. Accordingly, CRRWC requests that it be afforded the opportunity for a hearing before any action is taken directly on the Staff's Report and CRRWC objects to the Commission issuing an Order that addresses and finding or issue that is outside the subject matter of the Staff's Motion. CRRWC would be open to discussion with Staff regarding the factual errors in the Staff Report.

RESPECTFULLY SUBMITTED this \_\_\_\_\_ day of March 2008.
