1 event no later than 55 days following the date of the Commission's entry of an order  
2 in this docket.

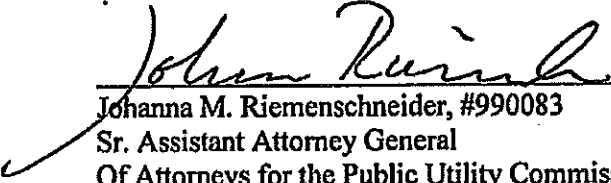

3 E. In the event that Complainant contends that Defendant has not complied with all of  
4 the terms of this Stipulation and all OUNC rules for that one-year period,  
5 Complainant may reopen this proceeding and petition for imposition of all or a  
6 portion of the suspended penalties. In such case, Defendant is entitled to a notice and  
7 hearing on the basis upon which Complainant contends that compliance has not  
8 occurred.

9 F. Complainant's failure to enforce any provision of this Stipulation, or decision to  
10 waive any violation or nonperformance of this Stipulation in one instance, will not  
11 constitute a waiver by the Complainant of that provision, any other provision, or any  
12 other violation or nonperformance in another instance.

13 5.

14 This Stipulation is conditioned upon final approval of its terms by the Commission. If

At this point, the Commission wishes to investigate the complaint and if possible reach a resolution. The PUC is holding an informal meeting at which the plaintiff, the investigative committee and the party that made the complaint may discuss the alleged violation. The meeting is not a formal administrative hearing. It is an informal session at which we can hear from the party who brought an alleged violation of the OUNC rules to our attention and from whom the violation is alleged. After the investigative committee has heard from both, they will make a recommendation in order to settle the matter. The recommendation may be to drop the matter, to issue a warning letter to the alleged violator or to impose a civil penalty. If a civil penalty is recommended, they may also recommend that some or all of it be suspended for various reasons. There will be no court reporter present to make a transcript of the meeting and if the complaint ever goes to a formal administrative hearing, no statements made at this informal meeting will be used as evidence at that formal hearing.

The informal meeting is scheduled for **Tuesday, December 19, 2017 at 9:00 a.m.** and will be held in the Oregon Public Utility Commission's First Floor- Main Hearing Room at 201 High St. SE, Suite 100, Salem, OR 97308.

**Please confirm your attendance by contacting PUC analyst Karla Hunter at 503-373-0044.**

You may also choose to participate in the meeting through a conference call rather than attending in person. If you would like to attend the meeting via conference call please let Karla know and she will make arrangements. However, it is important that you submit in advance all evidence materials that you would like the committee to review for the case. If attending the meeting via conference call, please e-mail your meeting materials to [karla.hunter@state.or.us](mailto:karla.hunter@state.or.us) one week prior to the meeting date.

Please contact Karla if you have further questions.
