BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON

UM 1205

In the Matter of  
IDAHO POWER COMPANY  
Requests Blanket Authority to Sell Surplus  
Sulfur Dioxide Emission Allowances

**NINTH REPORT OF PROCEEDS FROM  
SULFUR DIOXIDE ALLOWANCE SALES  
("Ninth Report")**

As provided in Order No. 05-983 issued in Docket UM 1205, Idaho Power Company ("Idaho Power" or "Company") hereby files its Ninth Report of Proceeds from Sulfur Dioxide Allowance Sales.

Since the Seventh Report of Proceeds from Sulfur Dioxide Allowance Sales filed on June 14, 2010, and the Eighth Report of Proceeds from Sulfur Dioxide Allowance Sales filed on September 7, 2010, the Company has sold and received payment for an additional 6,000 sulfur dioxide emission allowances. All of these sales occurred in 2010. The total anticipated net proceeds from these latest allowance sales, after deducting brokerage fees of \$1,250.00, is \$71,000.00. When combined with the proceeds reported in the Seventh and Eighth Reports, the total anticipated net 2010 proceeds from the allowances after deducting brokerage fees is \$543,000.00.

The *after-tax* amount of proceeds received and allocated to the state of Oregon is \$1,860.29 from the 2010 sale of the 6,000 sulfur dioxide emission allowances. When combined with the 2010 proceeds reported in the Seventh and Eighth Reports, the total *after-tax* amount of proceeds received and allocated to the state of Oregon is \$14,227.32. This assumes an income tax rate of 39.095 percent and a jurisdictional allocation to the state of Oregon of 4.78 percent.

1           The accounting for these proceeds is in accordance with Commission Order No. 05-  
2 983.

3 DATED: November 17, 2010.
