Investing in Your Future

People's Telephone Co. (PTC) is designated as an Eligible Telecommunications Carrier by meeting the guidelines of the Federal Communications Commission and the Oregon Public Utility Commission. We've been offering quality reliable telephone service since 1964 and realize the basic service is a fundamental aspect of everyday life.

Basic service from *PTC* includes:

- Single party service with unlimited local calling
- Touch tone service
- Voice grade access to the public switched network
- Access to emergency services including Enhanced 911
- Access to operator services, inter-exchange carriers, and directory assistance

PTC is proud to offer basic service to all customers in our serving territory. Our rate for residential basic service is \$13.95 per month and our rate for business basic service is \$17.95 per month. Low income individuals may be eligible for Lifeline and Link-up telephone assistance programs which provide discounts from these basic rates. Also available to Lifeline customers is toll blocking which lets customers block outgoing long distance calls free of charge.

If you have questions, or would like to become a customer of *PTC*, please visit our business office at 475 North Second Avenue, Stayton, Oregon or contact us at 503-859-2136.

Yes, Everyone Can Afford Phone Service

Every person in America should have access to quality, affordable telecommunications service. People's Telephone Co. supports this concept through a federally supported program called Lifeline and Link-up telephone assistance programs.

Basic service from PTC includes:

- Single party service with unlimited local calling
- Touch-tone service
- Voice grade access to the public switched network
- Access to emergency services including Enhanced 911
- Access to operator services, inter-exchange carriers, and directory assistance

PTC is proud to offer basic service to all customers in our serving territory. Our rate for residential basic service is \$13.95 per month. Low-income individuals may be eligible for Lifeline and Link-up telephone assistance programs that provide discounts from these basic rates. Another service available to Lifeline customers is toll blocking which lets customers block outgoing long distance calls free of charge. If you have questions, contact us at 503-859-2136. The office of the Oregon Public Utility Commission (OPUC) also has information on these programs. Contact the OPUC at 503-373-7171 or toll free 1-800-848-4442.

If you know of anyone in our service area who does not have or cannot afford telephone service, please contact us. Eligibility information may be obtained at our business office or at local social service organizations.

The brochure below has been provided to the “Stayton Food Bank” since July 2005. The brochure is included with every box of food given to eligible participants. Between 70 and 100 families receive food boxes in a given month. The brochure is also available in our business office.

Every person in America should have access to quality, affordable telecommunications service. This principle of “Universal Service” has been the goal of the telecommunications industry for decades. In 1994, the federal government codified the goal and reaffirmed it in 1996 by establishing policies for the “preservation and advancement of Universal Service.”

To achieve the Universal Service goal, carriers have access to a fund that is generated by contributions from the telecommunications providers in the United States. Telecommunications companies draw from the fund to provide four programs that support telecommunications services nationwide. Link Up America (Link Up) and the Lifeline Assistance Program (Lifeline) are part of the fund's Low-Income Programs and are described in detail below. Toll limitation service is another program available to low income subscribers to help them control what they spend on telephone service.

Lifeline, Link Up, and Toll Limitation Service support provide discounts to eligible low-income consumers to help them establish and maintain telephone service.

What type of discount is available?
 Lifeline assistance lowers the cost of basic monthly local telephone service. Eligible consumers can receive up to \$10 per month in discounts. Additional state support also may be available.

Eligible residents of Indian reservations or tribal lands can receive up to an additional \$33 in Lifeline support, but must pay at least \$1 for basic monthly service.

Link Up reduces the cost of initiating new telephone service. Eligible consumers can receive a 50% discount off of the one-time costs associated with initiating telephone service, up to a maximum of \$30. Eligible consumers also qualify for a deferred payment schedule for remaining costs of up to \$200.

Eligible low-income consumers living on tribal lands are eligible for an additional discount of up to \$70 to cover 100% of the charges between \$60 and \$130.

Toll Limitation Service (TLS) support allows eligible consumers who wish to avoid incurring large long distance fees to choose toll blocking or toll control at no cost.

How do I know whether I am eligible?
 Eligibility for Lifeline, Link Up and TLS support varies by state. Individuals who reside in states that have their own discount programs qualify for federal Lifeline, Link Up and TLS support if they meet the eligibility criteria established by their state. In states that do not provide state support, an individual is eligible if he or she participates in one of the following programs:

- Low-Income Home Energy Assistance Program (LIHEAP)
- Federal Public Housing Assistance or Section 8
- Medicaid
- Food Stamps
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- National School Lunch free lunch program

In addition, a consumer may be eligible if his or her household income is at or below 135% of the federal poverty guidelines:

2004 Income Requirements — 48 Contiguous States

Family Size	States & DC	Alaska	Hawaii
1	\$12,569	\$15,701	\$14,445
2	\$16,962	\$21,074	\$19,386
3	\$21,155	\$26,447	\$24,327
4	\$25,448	\$31,820	\$29,268
5	\$29,741	\$37,193	\$34,209
6	\$34,034	\$42,566	\$39,150
7	\$38,327	\$47,939	\$44,091
8	\$42,620	\$53,312	\$49,032
For each additional person add	\$4,293	\$5,373	\$4,941

Income-based criteria will be in effect for all telephone companies that offer Lifeline beginning in June 2005. Some telephone companies may offer Lifeline discounts to individuals who qualify based on household income before that date.

Residents of Indian reservations or tribal lands qualify if they participate in any of the programs listed above, have a household income that is at or below 135% of the federal poverty guidelines, or participate in one of these programs:

- Bureau of Indian Affairs (BIA) general assistance
- Head Start (income eligible)
- Tribal TANF

How do I apply to receive Lifeline, Link Up and TLS support discounts?
 Consumers must apply through their local telephone company — please let us know if you are interested in any of these programs. Visit the Universal Service Administrative Company (USAC) web site at www.lifelinesupport.org for more information about eligibility requirements. You also may call USAC toll free at 1-888-641-8722, with any questions about Lifeline, Link Up and TLS discounts.
