AR 651 Scheduling Update

Dear AR 651 parties,

At the conclusion of our last workshop on May 12th, Staff outlined a tentative plan to move to a formal rulemaking phase at the June 28th public meeting. It has come to Staff's attention that we will not be able to put this item on the June 28th agenda. In an effort to provide adequate time and attention for AR 651, we are looking at options for a special public meeting or will move it to the **July 12th** Regular Public Meeting.

After assessing parties' positions, Staff has not scheduled any additional workshops or comments prior to the public meeting date. If you have concerns or questions about the schedule and timing of this docket, please contact Madison Bolton at madison.bolton@puc.oregon.gov.

Thank you for your continued engagement in this process.

Sincerely,

/S/ Madison Bolton
