RULE TITLE: Justice Funding Eligibility

NOTICE FILED DATE: 02/23/2023

RULE SUMMARY: This rule describes the general criteria used by the Commission to determine whether an organization may be eligible to apply for and receive Justice Funding Grants. The proposed rule also contains a section encouraging pre-certified and case-certified grantees to make reasonable efforts to enter into agreements with each other at any time, to collaborate in general, including before submitting proposed budgets or after receiving case fund grants, and to combine their efforts and resources in a case. Such cooperative efforts will not affect the amount of their grants and are encouraged.

RULE TEXT:

(1) An organization meeting the following criteria may be certified by the Commission to be eligible to receive Justice Funding Grants:

(a) The organization represents the interests of low-income residential customers or Environmental Justice Communities, and participation in proceedings will be primarily directed at public utility issues affecting those interests, including but not limited to, interests in utility rates and terms and conditions of service, interests in the cost of access and impact from the delivery of services, interest in utility programs, and interest in utility resource planning;

(b) The organization identifies the specific Environmental Justice Community or low-income customers it represents and demonstrates that it is able to effectively represent them;

(c) The organization demonstrates that it is able to effectively represent or develop advocacy positions benefitting or informed by the Environmental Justice Community or low-income customers, in the service area of each Participating Public Utility for which funding is sought and demonstrates how it will identify the issues or advocacy positions that are important to those represented;

(d) When applicable, the organization has demonstrated in past Commission matters its ability to substantively contribute to the record on behalf of such interests; and

(e) In contested case proceedings, the organization demonstrates that its request for funding will not unduly delay the schedule of the proceeding.

(2) In determining if an organization is eligible to receive a Justice Funding Grant, the Commission may also consider whether the organization has significant ties to the Environmental Justice Community or low-income customers in the service area of each Participating Public Utility for which the Justice Funding Grant is sought.

(3) Pre-certified and Case-certified grantees are encouraged to make all reasonable efforts to enter into agreements with each other at any time, including before submitting proposed budgets or after receiving Case Fund Grants, to combine their efforts and resources in a case. Such cooperative efforts shall not affect the amount of their grants.

(4) Upon the filing of a complaint pursuant to ORS 756.500 or upon a Commission investigation or motion pursuant to ORS 756.515, the Commission may terminate the precertification or case-certification of an eligible entity, grantee, or applicant if it finds that:

(a) The organization has committed fraud, misrepresentation, or misappropriation related to a Justice Funding Grant;

(b) In a proceeding before the Commission for which Justice Funding Grants were awarded to the organization, the organization has consistently failed to represent the interests of the Environmental Justice Community that the organization purported to represent in its application for pre-certification;

(c) The organization has failed to comply with Commission orders or rules in material ways;

(d) The organization no longer meets the criteria established in these rules.

(5) In the event of termination of the pre-certification or case-certification of an organization, such termination shall take effect on a prospective basis only. Organizations that have been decertified may not receive Justice Funding Grants for the term of the agreement. Organizations that have been decertified may recover Eligible Expenses incurred pursuant to a Commission authorized Justice Funding Grant and incurred before decertification, subject to satisfaction of the requirements for payment of grants set forth in the Agreement and these rules.

RULE TEXT:

- (1) Applicants seeking a Case Fund Grant must file a notice of intent and request for case certification to request a Case Fund Grant when it files its petition to intervene or notice of participation in the matter or, for matters that do not involve a formal intervention, at such other time as the Commission designates.
- (2) The notice of intent:
 - (a) Must identify why the applicant meets the eligibility criteria listed in OAR 860-001-0840, explaining why the matter is an Eligible Proceeding. In the alternative, the applicant may identify any prior order deeming the organization an Eligible grantee and/or deeming the proceeding a Justice Funding Grant Eligible Proceeding and granting Case Certification;
 - (b) Must be served on each affected Participating Public Utility, all Pre-certified Organizations, and all parties of record in the proceeding;
 - (c) Must identify the Participating Public Utility account or accounts from which the intervening party intends to request a Case Fund Grant.
- (3) Any party or participant in the matter may provide a response to a request for Case Fund certification within 14 days of the filing of the request.
- (4) Once certified, a Case Fund certified organization must submit to the Commission a proposed budget for its participation in an Eligible Proceeding. The proposed budget must include a statement of work, estimated eligible expenses, and a description of the Participating Public Utility account or accounts from which the applicant seeks funds and how the initial payment should be apportioned.
- (5) A proposed budget must be filed no later than 30 days after the organization and the proceeding have been certified for Case Fund grants or by such other date as the Commission designates. A proposed budget may be filed with the notice of intent and request for case certification.
- (6) An applicant may submit a combined proposed budget for related proceedings that are being considered concurrently by the Commission.
- (7) If the recipient expects to incur Eligible Expenses for Case Funds in more than one calendar year, the proposed budget may seek funds that will be made available in the next calendar year. In such cases, the proposed budget should identify the amount of funds requested from each year's fund.
- (8) Any party or participant in the matter may provide a response to a proposed budget within 14 days of the filing of the proposed budget.
- (9) The Commission may approve or deny, in whole or in part, an applicant's proposed budget based on any of the following factors:
 - (a) The proposal is not consistent with the breadth and complexity of the issues;
 - (b) The degree to which any policy issues affect the interests of low-income residential customers or the interests of residential customers that are members of Environmental Justice Communities;
 - (c) The procedural schedule;
 - (d) The dollar magnitude of the issues at stake;
 - (e) The qualifications of the organization and experience before the Commission;
 - (f) The level of available Case Funds remaining for the year; and

(10) The Commission will make best efforts to act upon proposed budgets for Case Fund grants within 30 days of receiving the proposed budgets.

(11) If the Commission receives one or more notices of intent and one or more proposed budgets, then the Commission will determine the amount of Case Fund Grants that will be made available for the Eligible Proceeding and the allocation of that amount among the applicants. The Commission may make these determinations upon the factors described in the Agreement.

(12) At any time during a proceeding, a Case Fund Grant recipient may file to amend its budget and request additional funding due to unforeseen changes in the scope or complexity of issues, positions taken by other parties, changes in the schedule of the case, or other good cause. Grantees with approved budgets in multiple dockets may request to reallocate approved amounts between dockets by filing a request in both dockets. The request must identify the previously approved proposed budget amounts, the amended proposed budget amounts for each docket after reallocation of funds; and the request must explain the purpose for the requested reallocation. Any party or participant in the matter may provide a response to a proposed amendment within 14 days of the filing of the request. The Commission will make best efforts to act upon the request within 21 days of receiving the proposed amendment or, if applicable, any supplemental information provided in response to the Commission's request.

(13) The Commission may amend an approved proposed budget if it finds that there has been a material change in the breadth and complexity of the issues, the significance of the policy issues, or the dollar magnitude at stake, such that the initial approved proposed budget is no longer warranted. If the Commission amends an approved proposed budget, it will provide notice to the recipient and afford an opportunity to comment and provide a revised budget. A Commission amendment of an approved proposed budget takes effect on a prospective basis only.

(14) Pre-certified organizations and organizations who become Case-certified for a specific proceeding are eligible to receive Case Fund Grants.

(15) The Commission may approve a Case Fund Grant from funds that will be made available in the next calendar year when the proceeding for which the Case Fund Grant is sought is expected to continue into that year and funds in the current year Case Fund are inadequate to provide the level grant that the Commission determines is appropriate.

RULE TITLE: Payment of Grants and Reporting

NOTICE FILED DATE: 02/23/2023

RULE SUMMARY: This rule provides instruction on how to apply for payments for eligible expenses from Precertification Funds and Case Funds. The rule further describes how such requests will be processed. Finally, this proposed rule requires the submission of a report for prior calendar year activities.

RULE TEXT:

(1) Upon Commission approval of a Pre-certified Fund grant or approval of a request for payment from a Case Fund, the Participating Public Utilities must pay the amounts granted pursuant to Commission order. The Participating Public Utilities must pay the amount authorized by the Commission no later than 30 days after receipt of the Commission order.

(2) To receive payment of a Case Fund Grant, a grantee must submit a request for payment of Eligible Expenses to the Commission and serve a copy on the Participating Public Utility from whose account payment is to be made. If the grantee intends to release funds not used, the grantee may file a release of funds.

(3) A request for payment or notice of release of funds may be made at any time during an Eligible Proceeding, after the Commission has approved the applicable proposed budget, but grantees should file the request for payment and notice of release no later than November 17, at which time the Commission will issue a final notice to grantees requiring all requests for payment and notices of release by December 15. Grantees who fail to file a request for payment or notice of release by December 15 will be deemed to have released any remaining allocated funds back to the applicable Case Fund.

(4) The request for payment must:

(a) Itemize the expenses, payees and hourly rates for amounts to be reimbursed, including billing details, and including separately identified amounts for consultant or expert witness fees and travel expenses;

(b) Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of low-income residential customers or Environmental Justice Communities and consistent with the grantee's proposed budget;

(c) Provide information sufficient to show that the grantee has complied with any condition or requirement of the Case Fund Grant; and

(d) Specify whether the request for payment is for a progress payment or final payment in full and indicate whether any approved budget amount may be released back to the applicable Case Fund because the grantee does not intend to request payment for the full approved budget amount.

(5) A request for payment under this section may be made as a progress payment prior to the completion of the activity to be performed consistent with an approved budget; provided that any request for payment prior to completion of the activity may not exceed 50 percent of the applicable approved budget.

(6) Any person may provide a response to a request for payment of a Case Fund Grant or Precertification Fund Grant within 14 days of the filing of the request. Within 30 days of receiving a request for payment of a Case Fund Grant or Pre-certification Fund Grant, the Commission will make best efforts to review the sufficiency of the request and act upon it. The Commission may disallow a request for payment, in whole or in part, if it determines that the request seeks reimbursement for expenses that are not Eligible Expenses or expenses that are inconsistent with the Grantee's Case Fund Grant or Pre-certification Fund Grant, or any conditions placed on the Case Fund Grant or Pre-certification Fund Grant.

(7) On or before each April 1, each Case-Fund recipient who had, during the prior calendar year, a continuing or newly approved Case Fund Grant or pending proposed budget for an Case Fund Grant request must provide a report the Administrative Hearings Division showing, as of December 31 of the prior calendar year for each Case Fund, their budget requests pending approval, approved budget amounts, requested payments, payments received, amounts actually spent on expenses described in budgets for proceedings in which the intervenor received an Case Fund Grant,

and a statement indicating whether any of their approved budget amounts for an Case Fund Grant may be released back to the applicable Case Fund because the grantee does not intend to use the full approved amount.

(8) Each August 1 during the term of the Agreement. Pre-certified Organizations will provide the Administrative Hearings Division a statement setting forth the manner in which the Pre-certification Fund Grant was spent or intends to be spent, including information sufficient to show that the funds were spent in a manner consistent with the these rules, whether a request for payment for remaining amounts has been filed, the remaining amount outstanding and whether the remaining amount or any initial amount will be released back to the fund. Each Precertified Organization will serve a copy of the report it provides under this section on the applicable Participating Public Utility or Utilities.

(9) Information presented under this rule may be provided by Grantees or Eligible Recipients directly to the Administrative Hearings Division with copies served upon the relevant Participating Public Utilities and may be designated as confidential and protected from public disclosure by the Commission to the maximum extent possible under the Oregon Public Records Law. The confidential designation will not prevent the applicable Participating Public Utility from reviewing the requests, budgets, or reports. If the order approving a budget imposes confidentiality obligations or if the information is provided pursuant to a protective order, the applicable Participating Public Utility will abide by any such applicable confidentiality obligations. Grantees and eligible Recipients acknowledge that information covered by this rule may be assimilated into reports pursuant to ORS 757.072.

(a) Criteria for making this allocation may include the relative gross revenue of the utilities, load, or other such factors as the Commission determines to be relevant to the matter.

(b) Payment will be apportioned to Avista, Cascade, and Idaho Power solely for Case Fund grants for matters affecting low-income residential customers or Environmental Justice Communities in the respective service area.

(c) Case Fund grants used to advocate positions on behalf of low-income residential customers or Environmental Justice Communities may be assessed as determined by the Commission.
