<b>Draft TE Plan filings by utilities for 2022-25</b>	<b>Q4 2022</b>

**HB 2165  
Requirements**

Staff's proposed Division 87 rules incorporate requirements of HB 2165 in the following ways...

- Commission approval of a Monthly Meter Charge Budget including underserved community expenditures (Section 20)
- TE Program and Infrastructure Measure applications as part of TE Plan, with approval in accordance with HB 2165 requirements (Section 20)
- Annual reporting on expenditures, including how much money the utility spends on underserved communities from the Monthly Meter Charge revenue (Section 30)

# NEW STRUCTURE OF DIVISION 87

---

- Change of focus: from program to planning
- Prior Section 30 (Program Application Requirements) edited and included in Section 20 (TE Plan)
- Prior Section 40 edited (TE Plan Report), becomes Section 30
- New Budget (Section 5) added to Section 20

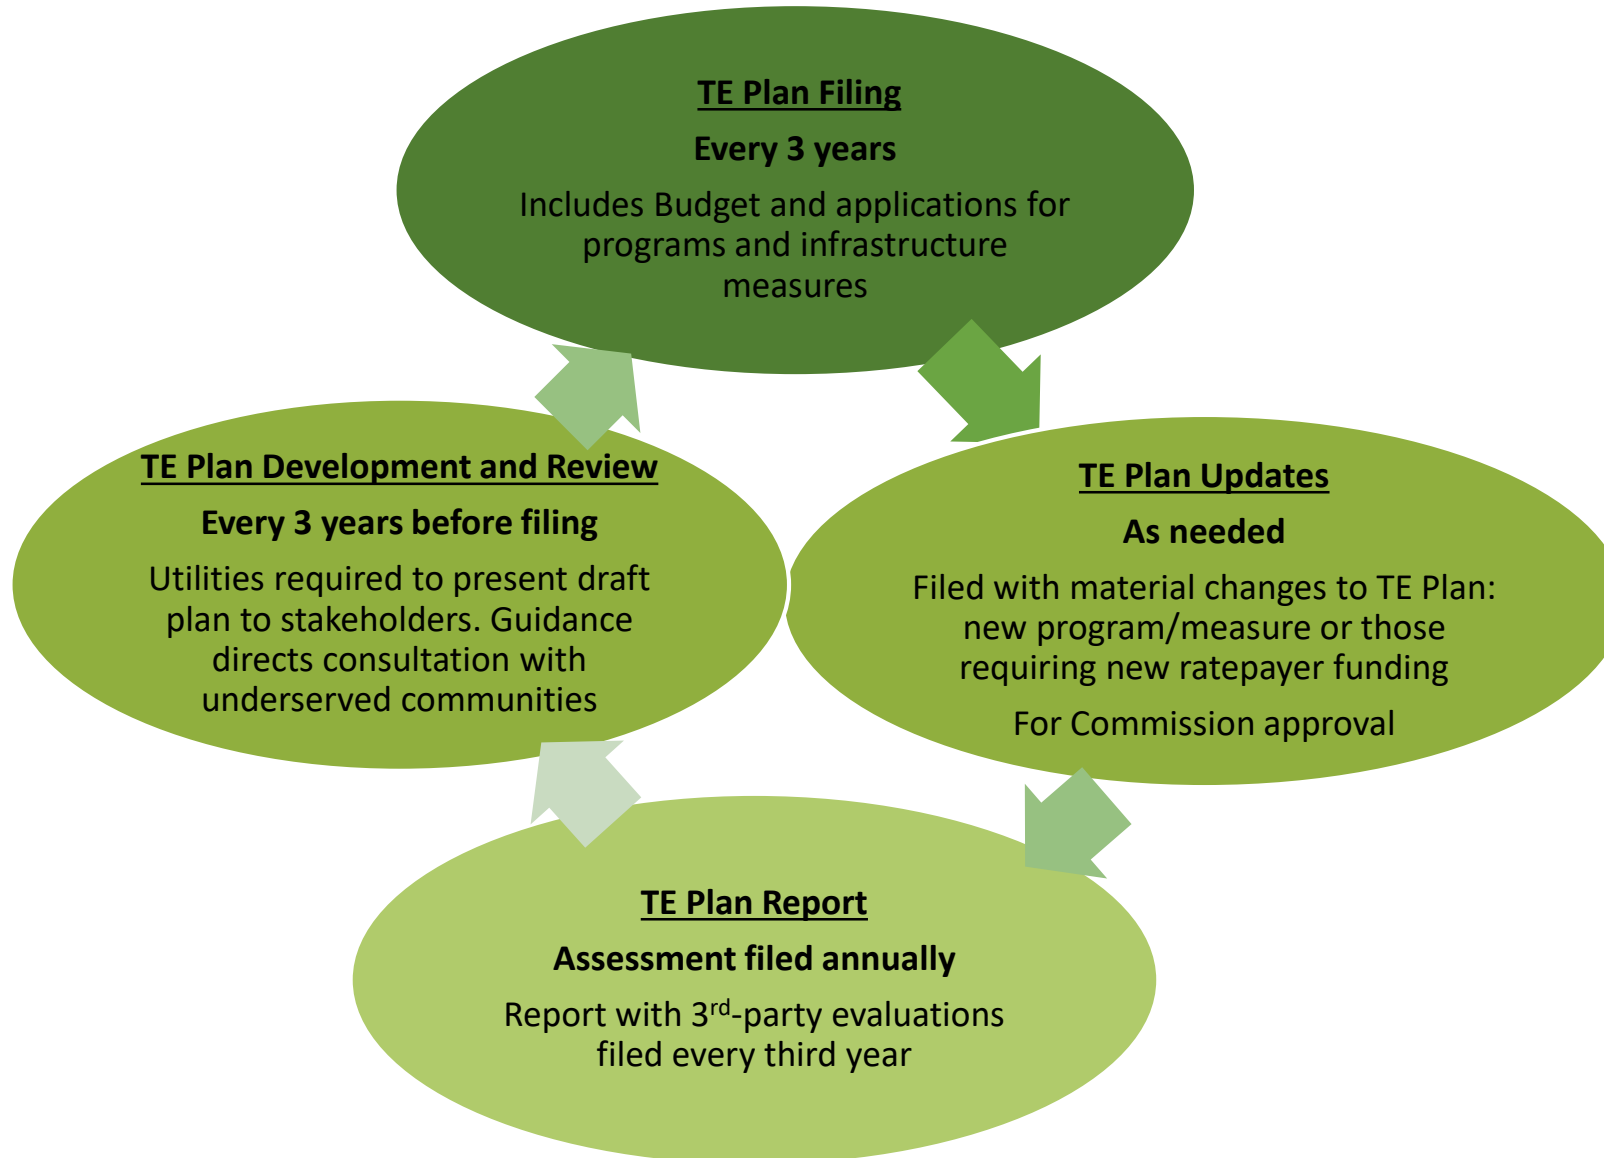

Staff's Proposed Rules and Report, Commission Order No. 22-158, May 5, 2022
