Dear Oregon CLEC Customer,

Upon filing the executed Performance Assurance Plan Implementation Plan (“current amendment”), the Oregon Commission Staff requested that the amendment be changed to clarify two issues. Therefore, Qwest is proposing to change the first sentence of the paragraph titled “Service Performance” as shown in the revised Performance Assurance Plan Implementation Amendment (“revised amendment”), attached.

First, the Staff indicated that the Commission does not formally approve the SGAT, but rather, the Commission’s orders allow SGATs and subsequent changes to the SGAT to go into effect by operation of law. Therefore, the statement in the current amendment that says “Commission approved SGAT” is technically incorrect and must be changed to reference the “effective” SGAT.

Second, the Staff requested that the amendment include a specific reference about what revision number of the SGAT the Parties are starting from. We have included a statement that the Exhibit B & K being incorporated at this time is from the “Eighteenth Revision as ordered by the Commission in Order No. 05-004”.

Qwest worked with the Commission Staff and obtained its concurrence with the proposed language change. Qwest also obtained Staff concurrence that the Parties can agree to replace the first page of the current amendment with the new language of the revised amendment without re-signing the amendment if it is completed quickly. Qwest is asking for your emailed or faxed permission to replace the first page of the Performance Assurance Plan Implementation Amendment with one that makes the following change.

Replace the following sentence:

The Performance Assurance Plan (“PAP”) and the Performance Indicator Definitions (“PIDs”) included as Exhibits K and B, respectively, to the Commission approved Statement of Generally Available Terms and Conditions (“SGAT”) are hereby incorporated into CLECs Agreement.

With:

The Performance Assurance Plan (“PAP”) and the Performance Indicator Definitions (“PIDs”) included as Exhibits K and B, respectively, in the Agreement are hereby replaced by the Exhibits K and B effective in the Oregon SGAT Eighteenth Revision as ordered by the Commission in Order No. 05-004.

If you concur with substituting the first page of the amendment with the revised language, please email intagree@qwest.com with a statement to that effect or fax same to Manager – Interconnection at 303-896-7077. Also, please print the first page and attach it to your copy of the amendment.

I apologize for any inconvenience this has caused. If you have any questions about this issue, please contact me.

Sincerely,

L T Christensen
