III. DESCRIPTION OF THE TRANSACTION AND PUBLIC INTEREST STATEMENT

On May 10, 2013, BCI and Lightyear entered into an Asset Purchase Agreement (“Agreement”) pursuant to which BCI will purchase certain assets and customers of Lightyear. Pursuant to the Agreement, BCI will purchase the following assets from Lightyear: certain customer accounts and receivables, certain customer agreements and contracts, certain vendor agreements and contracts, certain equipment, and certain intellectual property. BCI, however, will not assume any of Lightyear’s pre-closing liabilities or obligations.

Ionex will make any necessary revisions to its rates, terms, and conditions to incorporate Lightyear’s current services and rates so that affected customers will continue to receive the same services that they currently receive without any immediate changes to their service offerings or rates. The ownership structure of BCI and Ionex will not be affected by the Transaction. Upon consummation of the Transaction and after completion of the customer transfer, Ionex will provide Lightyear’s customers with the same service quality they have come to expect and all billing will be handled under the Ionex name.

The proposed transfer will affect all of Lightyear’s current Oregon customers, none of whom will experience any material change to the terms and conditions of their services as a result of this transfer. The transfer is scheduled to take place on or around September 15, 2013. The Parties will provide notice to affected customers in accordance with state requirements and

the rules and regulations of the Federal Communications Commission. A draft customer notice letter is attached as **Exhibit A**.

Upon completion of the Transaction and the migration of customers to Ionex, Lightyear will no longer offer telecommunications services in Oregon. After Lightyear determines that it no longer needs its Oregon authorizations for operational or billing purposes, Lightyear will surrender its authorizations in a separate filing. The Parties respectfully request that Lightyear's authorization and any existing tariffs remain in place until Lightyear separately requests such cancellation.

The proposed Transaction serves the public interest, and will ensure that affected customers enjoy continuity of high-quality telecommunications service. Lightyear's current customers will be given prior written notice of the transfer of their account to Ionex, in compliance with state and federal customer notice rules. Following the Transaction, the affected customers will receive high-quality service supported by Ionex's experienced and well-qualified management team. Consequently, the proposed Transaction will be transparent to customers and will not have a negative impact on the public interest, service to Oregon customers, or competition.

If you have any questions concerning this matter, please contact the undersigned.

Respectfully submitted,

IMPORTANT NOTICE
REGARDING A CHANGE IN YOUR TELECOMMUNICATIONS SERVICES

Dear _____

Birch Communications (“Birch”) and Lightyear Network Solutions (“Lightyear”) are pleased to announce that Birch is acquiring Lightyear’s local telephone and long distance telephone customers, as well as certain other customers receiving additional types of services from Lightyear. Subject to approval by the Federal Communications Commission and state regulators as necessary, Birch will replace Lightyear as your current telecommunications service provider on or after **[30 DAYS AFTER LETTER DATE]**, 2013 (the “Transfer Date”). As a result of this transaction, Birch will assume responsibility for all services previously provided to you by Lightyear. Birch is excited about the opportunity to provide your telecommunications service(s) and looks forward to a long and mutually rewarding business relationship.

Please rest assured, the transition will have little or no impact on your current services, nor will there be any interruption of your service. The agreement between Birch and Lightyear has been structured so that the transfer of service will be virtually seamless, other than the possibility of a minor change to your voice mail service for which you will receive additional information.¹ There, however, may be other changes to your service plan based on Birch’s unique billing systems (*e.g.*, customers currently utilizing a message or measured local service plan may be switched to a flat rate plan). In those cases, Birch will transition you in a neutral manner ***with no increase to your regular monthly recurring charges***. You will retain all other service rates, features, terms, and conditions of service and your telephone number. Birch will not impose any charges for the transfer of your services to Birch and **no action is required from you**

¹ It will be necessary for you to reset your password and re-record your message greeting(s). Additionally, saved messages at the time of the transfer will no longer be retained. Birch will provide further details in a follow-up letter.

to continue your telecommunications service(s) with Birch. You will receive your first billing statement from Birch starting with your **[MONTH] 2013** or **[MONTH] 2013** bill. As in the past, you are responsible for paying all bills rendered to you by Lightyear during the transition of service.²

You do have the right to select a different carrier for your telecommunications service(s). If you choose to switch to an alternate carrier for services, you may incur a fee from that alternate carrier for the transfer of services to that alternate carrier. If you select a local telephone service provider other than Birch, you should also contact your current long distance provider to ensure that your current long distance plan is not changed. Please note that if you are a customer of Lightyear on the Transfer Date as set forth above, your account will automatically be transferred to Birch. In addition, should you have a term commitment with Lightyear and you disconnect or transfer services to another carrier prior to the end of that term, you will be liable to Birch for any applicable early termination charges, subject to applicable law. Please note that when your service is transferred to Birch, any preferred carrier "freeze" you have placed on your existing telephone lines to prevent unauthorized transfer of your services to another carrier will be over-ridden for purposes of this transaction and will need to be reinstated by you by contacting Birch after the transfer is complete.

If you have any questions regarding this transaction or questions about your service or billing prior to the Transfer Date set forth above, you should contact Lightyear at: **800-393-7300**.

If you have any questions regarding this transaction, or questions about your service or billing after the Transfer Date set forth above, you should contact Birch at **888-772-4724**.³

Lightyear thanks you for your business and Birch looks forward to providing you with quality service for many years to come.

Sincerely,

Lighyear Network Solutions and
Birch Communications
