Re: CP 1218 - Notice of SBC Long Distance regarding a Discontinuance of certain Operator Assistance Services in Oregon

Dear Ms. Shepherd:

SBC Long Distance LLC dba SBC Long Distance, and AT&T Long Distance ("SBCLD") hereby provides a 90-day notice pursuant to OAR 860-032-0020 to the Oregon Public Utility Commission that it is ceasing the provision of several features of its operator assistance services.

Due to the low demand for its operator services, SBCLD will be discontinuing certain live and mechanized operator services calling features and billing options for its customers in all of the areas served by SBCLD in Oregon.

Pending federal regulatory approval, beginning on or after March 18th, 2016, SBCLD will no longer offer Bill to a Third Number Calling, Person to Person Calling, Collect Calling, Busy Line Verification, Busy Line Emergency Interrupt and Dialing International Directory Assistance to its customers in Oregon.

In preparation for this change, from September 28th through December 31st, 2015, bill page messages, letters and/or web notification and accessible letters are being sent to all SBCLD customers in Oregon regarding the discontinuance of service.

If you have any questions regarding this notice, please feel free to contact me at (512) 330-1698.

Very truly yours,
