Re: **Notice of SBC Long Distance LLC Cessation of certain Telephone Services in Oregon
Docket No. CP 1218**

Dear Ms. Shepherd:

SBC Long Distance LLC dba SBC Long Distance, and AT&T Long Distance ("SBCLD") hereby provides a courtesy notice to the Commission that it is ceasing the provision of AT&T Long Distance Calling Card Service and Value Card Plus Service.

AT&T Long Distance Calling Card Service is a long distance calling card that allows users to place intrastate, interstate and/or international calls by dialing a company-provided toll-free access code or number. This calling card service allows calls to be billed to the customer's telephone bill after the call is placed. Upon discontinuance, Oregon customers will not be converted to a different service offering. Deposits are not associated with this service, so no refunds are necessary.

SBCLD currently has six customers in Oregon which will be impacted by the discontinuance. SBCLD is discontinuing this service nationwide including in the entire state of Oregon. Customers impacted by the discontinuance may contact AT&T service representatives at the toll-free number listed on their bill or voice/TTY 800-651-5111, or at AT&T Long Distance, PO Box 9041, South San Francisco, CA 94083.

Calling card service in Oregon will be discontinued on or after May 20, 2015; 90 days from the date this notice is filed with the Oregon Public Utility Commission in accordance with OAR 860-032-0020.

SBCLD provided notice to affected customers of its intent to exit these services in the billing cycles starting in December 2014 through January 2015. See attachment A for a copy of the bill notice.

Please contact me at 512-330-1698, if you have any questions regarding this notice.

Sincerely,

Sharon Mullin
Director, External Affairs

Service Withdrawal
Pending state and regulatory approval where applicable, on or after March 2, 2015, SBC Long Distance, LLC, d/b/a AT&T Long
Distance will no longer offer Calling Card Service and Value Card Plus Service originating and terminating in the United States and International points. The discontinuance of AT&T Long Distance Calling Card will not impact pre-paid calling cards or pre-paid minutes.
The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance.
Address them to the Federal Communication Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the 63.71 Application of SBC Long Distance, LLC, d/b/a AT&T Long Distance.
Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.
Our AT&T Service Representatives are ready to assist you, and can be reached at the toll-free number on your bill or V/TTY 800-651-5111. Thank you, AT&T Long Distance, PO Box 9041, South San Francisco, CA 94083.
