Re: Oregon Notice Regarding Assets Transfer of
Comtel Telecom Assets LP to Matrix Telecom, Inc.

Dear Messrs. Nielsen and Smith:

Pursuant to OAR 860-032-0020(6)(a), Comtel Telecom Assets LP ("Comtel") hereby notifies Qwest and Verizon of the asset sale transaction with and customer base transfer to Matrix Telecom, Inc. ("Matrix"). The notice issued Oregon customers is also attached to comply with the above-noted rule.

Because Comtel provides local exchange services via UNE-P (or equivalent) arrangements, direct relationships with the E-911 database administrators are held by Qwest and Verizon. As a result, these administrators have not been directly included on this correspondence. Furthermore, since Matrix will be stepping into the shoes of Comtel upon consummation of the asset sale, few, if any, changes may be needed for E-911 record purposes, including allowing access to database records by other carriers. In the event that such changes are needed, Comtel requests that Qwest and Verizon assist Comtel by facilitating these changes with the database administrators at the appropriate time. Comtel has designated Rose Swinford, Director, Customer Service Operations, as the internal contact for this purpose. Ms. Swinford's contact information is as follows:

Respectfully submitted,

IMPORTANT INFORMATION ABOUT YOUR SERVICE

Dear Excel Telecommunications, VarTec Telecom or Clear Choice Communications Customer, Excel Telecommunications, VarTec Telecom and Clear Choice Communications (the "Companies") and Matrix Telecom, Inc. ("Matrix") are pleased to advise you that Matrix will acquire certain assets and customers of Companies' telecommunications business in your area. Following completion of the transaction, the service you currently receive from Excel Telecommunications, VarTec Telecom or Clear Choice Communications will continue under their brand names, which were acquired by Matrix. Matrix prides itself on its ability to build long-term relationships with its customers and looks forward to serving you.

Subject to approval by the Federal Communications Commission and state regulators, the transaction is expected to be completed **on or after June 30, 2010**, at which time Matrix will assume ownership of the Excel Telecommunications, VarTec Telecom and Clear Choice Communications brands and will become your service provider as described above. **Please note that you are not required to do anything to continue receiving the high-quality service you have come to expect at the same competitive rates you currently pay, and your telephone number will not change as a result of the transfer.** In addition, Matrix will pay any carrier change charges associated with the transfer of your account to Matrix. If you have arranged a preferred carrier freeze through your local carrier with respect to any services involved in this transfer, this freeze will be removed in order to transition the services to Matrix; following the transfer, you must contact your local carrier or, if Excel Telecommunications or VarTec Telecom is your local carrier, Matrix to reinstate the freeze. Notice of any future changes in rates, terms and conditions of service will be provided to you by mail or in your bill, or as otherwise provided in your service contract, if you have one. In addition, any deposit or prepayment you have paid, if any, will be transferred with your account to Matrix.

Matrix is dedicated to earning and keeping your business. We are confident that this transaction will strengthen the quality of services that you receive from the Companies today. We recognize that you have the right to change providers at any time provided another service provider is available, and subject to the terms of your service contract, if you have one. We hope, however, that you choose to remain a customer with Matrix doing business as Excel Telecommunications, VarTec Telecom and Clear Choice Communications, and thereby continue to enjoy under Matrix the same high-quality communications services you currently receive from the Companies. If you do want to select another provider, you should contact that provider directly. Assuming you do not transfer your service to a different provider by June 30, 2010, Matrix will become your service provider on or after June 30, 2010.

Prior to and after the actual transfer date, Excel Telecommunications, VarTec Telecom or Clear Choice Communications will continue to be responsible for all customer service inquiries, complaints, billing issues and service questions, and you should contact the Companies' customer services representatives at the following numbers:
