Description of the ANPI Transaction

Pursuant to transactions arising from the Membership Interest Contribution and Purchase Agreement by and among ANPI Holding, Zone, Onvoy, and Parent, dated as of April 13, 2016, Onvoy and Parent will acquire all of the outstanding membership interests in ANZ and Parent will transfer all of the membership interests it receives in ANZ to Onvoy. As a result, ANZ will be a direct, wholly owned subsidiary of Onvoy; and ANPI-Biz and ANPI, LLC will be indirect, wholly owned subsidiaries of Onvoy. Following closing, ANPI-Biz and ANPI, LLC will be ultimately wholly owned by Parent.³

³ As part of the consideration for the ANPI Transaction, ANPI Holding and Zone will obtain an ownership interest in Parent of collectively less than 6 percent.

For the Commission's reference, a chart depicting the pre- and post-*ANPI Transaction* ownership of Licensees is provided as Exhibit A.

The *ANPI Transaction* will bring together two successful enterprises that have demonstrated a long-standing commitment to excellence in a highly competitive marketplace. The financial, technical, and managerial resources that Onvoy and GTCR LLC will bring to Licensees are expected to enhance the ability of Licensees to compete in the telecommunications marketplace. Since the *ANPI Transaction* will occur at the holding company level, it will be completely transparent and seamless from a customer's perspective. Immediately following the *ANPI Transaction*, Licensees will continue to provide high-quality services at the same rates and on the same terms and conditions as are currently in effect. The only change immediately following closing of the *ANPI Transaction* will be that that Licensees' ownership will change, with Onvoy, and ultimately Parent, being the new owners.
