PORTLAND GENERAL ELECTRIC,)	THE CITIZENS' UTILITY BOARD
)	OF OREGON
Request for a rate increase in the)	
company's Oregon annual revenues of)	
\$13,000,000 for Biglow Canyon.)	
_____)	

Pursuant to Section 7.3 of the Intervenor Funding Agreement (IFA), which was adopted in Order No. 03-388, the Citizens' Utility Board submits this final request for payment from the PGE Issue Fund of \$2,885 in eligible expenses in docket UE 188. CUB is automatically precertified under Section 5.3 of the IFA.

On April 4, 2007, CUB submitted a proposed budget of \$15,075, assuming a fully litigated case, including testimony, briefs, a hearing, and oral argument. On April 13, 2007, in Order No. 07-114, the Commission approved CUB's proposed budget.

Under Section 7.3 of the IFA, each request for payment from an Issue Fund Grant must:

- (1) Itemize the expenses, payees, and hourly rates of amount to be reimbursed;
- (2) Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget; and
- (3) Provide information sufficient to show that the intervenor has complied with any conditions imposed on the Issue Fund Grant.

Order No. 07-144 did not include any additional conditions beyond those anticipated in the IFA.

On July 27, 2007, CUB requested a partial payment of \$4,417. On August 8, 2007, in Order No. 07-339, the Commission approved that request. The combination of this final request for \$2,885 and the previous payment of \$4,417 would be \$7,302.

The expenses incurred are reasonable and directly attributable to the issues and positions CUB addressed in UE 188 on behalf of residential customers. In support of this assertion, we supply Attachment A, a summary of CUB's expenses in this case; Attachment B, an invoice of CUB's costs categorized by activity; and Attachment C, an invoice of CUB employee activity by individual. These documents should allow the Commission to track the time spent on the elements of the case, and we believe that this filing meets the requirements of the Commission.

This is CUB's final request for payment in UE 188, and any further budgeted amounts may be released to the PGE Issue Fund.

Respectfully submitted,

A handwritten signature in black ink that reads "Jason Eisdorfer". The signature is written in a cursive style with a long horizontal flourish extending to the right.

Note: Because the CUB invoices track time to 5 decimal points, while the Time by Employee Summary uses two decimal points, there is a small rounding error between Attachment B and Attachment C. CUB's practice is to bill the Issues Fund for the lower of the two amounts.
