

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 197

In the Matter of)	
)	CUB REQUEST FOR A
PORTLAND GENERAL ELECTRIC,)	PGE ISSUE FUND GRANT &
)	PROPOSED BUDGET
Request for a general rate revision.)	
_____)	

The Citizens' Utility Board of Oregon (CUB) requests a grant of \$61,620 from the Portland General Electric Issue Fund. This presumes a fully litigated case; settlement of some or all of the issues would likely reduce our total request for reimbursement. CUB staff will keep track of their participation by hours and activity.

CUB is precertified as per OAR 860-012-0100(3)(a). UE 197 is an eligible proceeding under the Intervenor Funding Agreement, adopted by the Commission on December 19, 2007 in Order No. 07-564, because the proceeding directly affects PGE, a participating public utility (Agreement 1(k)). CUB filed its Notice of Intent to Request a PGE Issue Fund Grant concurrent with its Notice of Intervention, as required by the Intervenor Funding Agreement (Agreement 6.2).

Pursuant to paragraph 6.3 of the Intervenor Funding Agreement, the proposed budget must identify certain points of information. We provide the information below.

(a) Statement Of Work To Be Performed: CUB intends to participate in every procedural aspect of this case. We participated in the pre-hearing conference. We will attend

and participate in all or most workshops, settlement meetings, hearings, and Commission presentations. We will review and analyze PGE's opening, rebuttal, and surrebuttal testimony, and briefs. We will review and analyze testimony and briefs filed by other parties. We will pursue discovery of PGE through data requests, and will respond to data requests asked of us. We will file reply and surrebuttal testimony, and briefs, and present our recommendations to the Commission, including any proposed modifications or conditions

(b) Description Of Areas To Be Investigated: CUB intends to investigate issues including, but not limited to:

- A. PGE's costs and appropriate revenue requirement;
- B. Employee levels and compensation;
- C. Cost of capital;
- D. Rate spread and rate design;
- E. PGE's long-run marginal cost study; and
- F. Issues raised by other parties to the proceeding.

(c) Description Of The Class Or Classes Benefiting From CUB's Participation:

CUB represents the interests of PGE's residential customers, though other customer classes may benefit from many aspects of our participation.

(d) The Fund From Which CUB Seeks An Issue Fund Grant & Available Funds: CUB is seeking an issue fund grant from the PGE Issue Fund. CUB's proposed budget of \$61,620 would leave roughly \$166,200 uncommitted in the PGE Issue Fund, which currently has an uncommitted balance of approximately \$227,800.

(e) *The Budget Showing Estimated Fees And Costs:* CUB's budget accompanies this document as Attachment A.

(f) *A Representation Of The Use Of Matching Funds:* The budget and an accounting for the use of matching funds accompanies this document as Attachment A.

Dated this 29th Day of May, 2008
Respectfully submitted,

A handwritten signature in black ink, reading "Jason Eisdorfer". The signature is written in a cursive style with a long horizontal stroke at the end.
