Subject: Hearing/Briefing Schedule in UE 200

Judge Power,

On June 10, 2008, you issued a Memorandum Order modifying the schedule in this case. The Order set new filing dates for testimony, but noted that the parties had not yet agreed on a new dates for the hearing and post-hearing briefs. The Order vacated the existing hearing and briefing dates pending agreement among the parties on such dates. The Order directed Pacific Power to report on this by June 30, 2008.

Pacific Power is pleased to report that all parties now agree to the following hearing and briefing dates:

Hearing: Monday, September 8, 2008
Opening Brief: Monday, September 22, 2008
Reply Brief: Thursday, October 2, 2008

Please let us know if you need any further information.

Katherine
