Re: UE 215 CUB'S Waiver of Opening Testimony on NVPC and Reservation of Right to Address NVPC in its Opening Brief.

Please be advised that the Citizens' Utility Board of Oregon (CUB) is foregoing its opportunity to submit Opening Testimony in the AUT (Net Variable Power Cost) portion of the UE 215 PGE 2011 General Rate Case docket. CUB has already submitted Opening Testimony dated June 4, 2010, in the General Rate Revision portion of this docket and feels that its Opening Testimony submitted in that portion of the docket adequately covers the issues that would otherwise have been raised in the AUT Opening Testimony filing. CUB respectfully requests that the Commission, the Company, Staff and the other intervenor parties, refer to the Opening Testimony filed as UE 215/CUB/100 in the General Rate Revision portion of the docket.

CUB also respectfully reserves the right to address, in any briefs that it files in this docket, comments made by the PUC Staff or other intervenors in Opening Testimony in the AUT, or by the Company in its Reply Testimony in the AUT, which will be filed on June 21, 2010, and July 15, 2010, respectively.

Sincerely,

G. Catriona McCracken, Attorney #933587
