DIRECT TESTIMONY  
OF  
SCOTT WRIGHT  
ON BEHALF OF  
IDAHO POWER COMPANY**

**October 21, 2010**

1           **Q.     Have you supervised the preparation of an exhibit showing the**  
2 **summary of revenue impact resulting from the October Update proposed by the**  
3 **Company?**

4           A.     Yes. Exhibit No. 107 provides a summary of the revenue change resulting  
5 from this year's October Update as compared to current revenue. The revenue amounts  
6 shown on Exhibit No. 107 may differ slightly from the revenue requirement amounts shown  
7 on Exhibit No. 106 because of rounding and the rate design process. For example, Exhibit  
8 No. 106 shows a cents per kWh for Schedule 41 – Municipal Street Lights. However, in the  
9 rate design process, this amount is converted to a cents per lamp charge. The end result is  
10 a slight difference from the revenue requirement amount shown on Exhibit No. 106.

11          **Q.     Has the Company filed tariff sheets that reflect the proposed changes?**

12          A.     Yes. The Company has filed tariff sheets that reflect the October Update  
13 which will become effective on June 1, 2011.

14          **Q.     Does this conclude your testimony?**

15          A.     Yes it does.
