6	CORPORATION		
7	Request for a General Rate Revision.

9	Staff of the Public Utility Commission	of Oregon (Staff) submits this status report in	
10	accordance with the Administrative Law Judge's September 22, 2015 Ruling. On September 18,		
11	2015, Cascade filed a motion to suspend the procedural schedule in this docket reporting that the		
12	parties had reached an agreement in principle resolving all issues in the docket. The ALJ granted		
13	the motion, directing parties to either file a stipulation with supporting joint testimony no later		
14	than October 15, 2015, or file a joint status update.		
15	The parties are continuing to work on finalizing the stipulation and joint testimony. The		
16	parties anticipate that they will need no more than ten days to finalize and file the stipulation and		
17	joint testimony, and ask the ALJ to establish October 26, 2015, as the due date for the stipulation		
18	and supporting testimony.
