Re: **UM-1187** Deferral Applications

Ms. Bailey-Goggins:

On December 30, 2004, PGE filed an Application for Deferral of 2005 Costs and Benefits Due to Hydro Generation Variation. The Commission has not yet acted on that request.

PGE withdraws its deferral application in UM-1187 and requests that the docket be closed.

Thank you for your assistance in this matter. If you have any questions or require further information, please call Patrick Hager at (503) 464-7580, or Jay Tinker (503) 464-7002.

Sincerely,
