Re: Docket No. UM 1202

Dear Judge Grant,

This letter is to provide a status report regarding Docket No. UM 1202, *In the Matter of Wantel, Inc. dba Comspan Application for Designation as an Eligible Telecommunications Carrier*. Wantel has amended its application to address concerns raised by both staff and other parties. No party filed an objection to the final amended application by the May 25, 2005 deadline for objections and staff of the Public Utility Commission of Oregon ("staff") understands that no party intends to object to Wantel's final amended application. Further, staff will recommend that the Commission adopt the final amended application. Accordingly, staff intends to present the matter to the Commission at a public meeting on June 28, 2005, as previously planned.

Thank you for your attention.

Very truly yours,

Stephanie S. Andrus
Assistant Attorney General
