Re: UM 1276 – Status Report

Dear Judge Power:

This letter is in response to your Memorandum issued March 12, 2007 by which you direct staff of the Public Utility Commission to report the results of the conference held on March 16, 2007.

The parties first discussed whether there were any continuing concerns arising from the anomalies in the service list. No party reported any continuing concern or perceived prejudice arising from the inadvertent omission of some parties from the service list.

The parties next generally discussed the issues in the case, and then agreed, subject to your approval, upon the following revised schedule:

<u>Due Date</u>	<u>Event</u>
April 12	Parties Circulate Draft Straw Proposals (not filed with the Commission)
April 27	All-party Workshop
May 11	Circulate Final Straw Proposals (not filed with the Commission)
May 25	Opening Comments (filed with the Commission)
June 25	Closing Comments (filed with the Commission)

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Weirich".
