1.2. Comparable Local Usage Plan – CETCs only – Report Does Not Apply

The carrier certifies that it offers at least one basic local usage plan that is comparable to those offered by the ILECs in its designated service area: yes _____ no _____

Identify which of the plans in 1.1.B above are “comparable” to the ILEC local usage offerings, and explain the basis for the comparability. _____

1.3. Supported Services Not Provided – CETCs only - Report Does Not Apply

Identify any supported services that were not available at designation, but were to be provided as a condition of ETC designation (e.g., toll restriction for qualifying low-income consumers, E911): _____

Are these services provided currently? yes _____ no _____

If no, explain why not: _____

1.4. Equal Access Acknowledgement – CETCs only – Report Does Not Apply

The carrier acknowledges that it may be required to provide equal access if it is the only remaining ETC in an area: yes _____ no _____

Report #2 – Unfulfilled Service Requests

2.1. Unfulfilled Service Requests/Held Orders – All ETCs

Choose **either A. or B.** below, as applicable:

A. _____ Service quality reports for “primary held orders over 30 days” were filed with the Oregon PUC for calendar year 2007. No additional submission is required for recertification purposes.

B. Service quality reports for “primary held orders over 30 days” were **not** filed with the Oregon PUC for calendar year 2007. In this case, choose **one** of the following alternatives for reporting:

1. _____ The number of customer requests for supported services that were not fulfilled during calendar year 2007: _____.
If greater than zero, include an attachment noting for each such request, the location (address) of the request and a description of attempts to provide service.

2. The number of “primary held orders over 30 days” (as defined in Section 860-034-0390 of the Oregon Commission rules) for calendar year 2007: .
If greater than zero, include attachment noting for each such held order, the reason the order was held and the original commitment date.

2.2. Service Request Processing - CETCs only – Report Does Not Apply

Submit a description of how the carrier ensures that every request for service that cannot be immediately fulfilled is recorded and processed under the 6-step process set forth in 47 CFR Section 54.202(a)(1)(i).

Report #3 – Evidence of Advertising for Basic Supported Services (excluding low-income/lifeline) – All ETCs

Describe how basic supported services were advertised during calendar year 2007 throughout the designated service area. List the types of media used, advertising frequencies and geographic coverage. Attach examples of actual advertisements, noting dates, specific distribution methods, and target geographical populations, sufficient to demonstrate that basic supported services and rates were advertised **throughout** the designated service area in 2007.

ATTACHMENT 1, PAGES 1-11

Report #4 – Low-income Services – All ETCs

4.1. Number of Lifeline Customers – All ETCs

The total number of customers receiving Lifeline discounts during the month of December 2007 in the designated service area: **113**.

CETCs only - also list counts by ILEC service area as follows:

<u>ILEC Svc Area</u>	<u>No. of Lifeline customers</u>
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

4.2. Advertising of Low-Income Program Service Offerings – All ETCs

Submit copies of all advertisements (for all media) for Lifeline, LinkUp, and OTAP service offerings that were run during calendar year 2007, noting media (newspaper name, radio station, bill inserts, internet postings, etc.), run/distribution dates, and geographic coverage area.

ATTACHMENT 2, PAGES 1-11

Report #5 – Outage Report – All ETCs

Choose either A. or B. below, as applicable:

A. Carrier was required to report service outages (as defined in Oregon PUC Rules at Sections 860-034-0390(9) for small telecom utilities, 860-023-0055(9) for large telecom utilities, and 860-032-0012(9) for competitive telecom providers) to the Oregon PUC during year 2007. No additional submission is required for recertification purposes.

B. Carrier was *not* required to report service outages (as defined in Oregon PUC Rules at Sections 860-034-0390(9) for small telecom utilities, 860-023-0055(9) for large telecom utilities, and 860-032-0012(9) for competitive telecom providers) to the Oregon PUC during year 2007. Select #1 (wireline carriers) or #2 (wireless carriers) below.

1. The number of service outages, as defined in Oregon PUC rules, that occurred during calendar year 2007 was _____.

If the number was greater than zero, attach a report that lists for each such outage the following: the date and time of onset, a brief description of the outage and its resolution, the particular services affected, the geographic areas affected, steps taken to prevent a similar future occurrence, and the number of customers affected.

2. The number of service outages, as defined in FCC rules at 47 CFR Section 54.209(a)(2), that occurred during calendar year 2007 was _____.

If the number was greater than zero, attach a report that lists for each such outage the following: the date and time of onset, a brief description of the outage and its resolution, the particular services affected, the geographic areas affected, steps taken to prevent a similar future occurrence, and the number of customers affected.

Report #6 – Trouble Report – All ETCs

Choose either A. or B. below, as appropriate:

A. ____ Trouble reports were filed with the Oregon PUC for calendar year 2007 per Oregon PUC service quality rules. No additional submission is required for recertification purposes.

B. Trouble reports were **not** filed with the Oregon PUC during calendar year 2007. In this case, choose **one** of the following alternatives for reporting:

1. ____ The average monthly number of customer trouble reports received per 100 wireless handsets for supported services during calendar year 2007, for each company switch.

<u>Trouble Type</u>	<u>Switch A (location)</u>	<u>Switch B (location)</u>
No service	_____	_____
Network busy	_____	_____
Interruption of service	_____	_____
Poor reception	_____	_____

2. The average monthly number of customer trouble reports, as defined in Section 860-034-0390 (5) of the Oregon PUC rules, per 100 access lines, received during calendar year 2007: 0.5 per month, per 100 working access lines.

ATTACHMENT 3

Report #7 – Network Improvement Plan – CETCs Only – Report Does Not Apply

Per Docket No. UM 1217, Order No. 06-292, competitive ETCs (CETCs) must file network improvement plans annually for recertification purposes. Appendix A of the order details the information that must be included in such plans. Only CETCs must file these plans for annual recertification purposes; ILECs are not required to file such plans. CETCs that receive *only* low-income program support (no high-cost or access-related support) do not have to file network improvement plans. CETCs are strongly encouraged to use the template in the attached Excel worksheets for their network improvement plans. This template incorporates all the items of information required by the order.

Report #8 – Special Commitments/Requirements – CETCs only – Report Does Not Apply

Did the Oregon PUC impose any special commitments or requirements at initial designation or during the previous annual recertification process? yes ____ no ____.

If yes, identify the commitments or requirements and explain if, and how, they have been met.

Report #9 – Certifications - All ETCs

9.1. IAS or ICLS Certification Copy – All ETCs Receiving IAS and/or ICLS

All ETCs receiving interstate access-related support (IAS or ICLS) must submit a copy of the certification for the use of IAS or ICLS support that was sent to USAC and the FCC in June 2008.

ATTACHMENT 4

9.2. Certification of Use of Universal Service Funds – All ETCs receiving HCL and/or LSS (Rural ILECs and CETCs Designated in Rural ILEC Areas)

To continue receiving traditional high cost support (HCL, LSS), ETCs must submit a notarized affidavit signed by a responsible company official certifying that the carrier will use the high cost support funds only for the intended purposes. Use of the sample affidavit form displayed on the following page is recommended.

ATTACHMENT 5

9.3. Certification of Emergency Functionality and Compliance with Service Quality and Consumer Protection Measures – All ETCs

Each ETC must submit a notarized affidavit signed by a responsible company official certifying that the carrier: 1) is able to remain functional in an emergency, and 2) is complying with all service quality and consumer protection measures in either the applicable Oregon Commission rules (for wireline carriers), the CTIA Consumer Code (for wireless carriers), or some other specific set of standards. All ETCs must submit this affidavit. A copy of an acceptable affidavit form follows the affidavit for high cost support.

Telephone Information

Molalla Public Notice

MOLALLA COMMUNICATIONS PUBLIC NOTICE IMPORTANT NOTICE ABOUT YOUR MCC ACCOUNT

Recent changes in federal law allow us to use information about your current telecommunications services to better inform you of products and services which may best meet your communications needs, unless you notify us you do not wish to be notified.

What is the information? This information is called "Customer Proprietary Network Information" or "CPNI," and it relates to the telecommunications services you currently utilize and have available to you. This information includes service types, the way we provide those services, call volume, call detail, and billing data.

How can MCC use the information? If you consent, this information may be used to advise you about innovative communications service proposals or new communications technology and products that are tailored to meet your telecommunications service needs.

Who will be able to use this information? Currently, we do not share our member information with anyone, except as required by law or state/federal requirements. Only those companies that now or in the future sell our services, including our agents, contractors and joint-venture partners, as well as our current or future affiliates and subsidiaries will be able to use this information to market communications related products to you.

Will we protect this information? Absolutely. You have the right, and we have the duty through our mission and under federal law, to protect the confidentiality of this information. Therefore, regardless of whether you consent or not, your account information will be treated confidentially.

What action is necessary on my part to show consent? No action is required. If you do not contact us within 30 days of receipt of this notice, and indicate that we may not use the information, we may use it in the manner described.

What if I don't consent? You may not be able to learn about innovative service proposals, new technology or offerings, or package discounts. However, any denial or withdrawal of consent on your part will not affect the provision of any services we are furnishing you.

If I consent, can I change my mind? Of course. You can contact MCC member service at any time and indicate you are withdrawing or limiting your approval of use of your CPNI. Until you do so, however, your consent is valid. Any withdrawal or limiting of consent will remain in place until affirmatively changed by you.

How do I contact you? You can reach us at (503) 829-1100 or by mail at 211 Robbins Street, PO BOX 360 Molalla, OR 97038.

Consumer Information

Member Billing Information

Members bills are prepared and mailed on the last day of the billing cycle. You should receive your bill approximately one day after mailing date. The monthly charge for local telephone service is billed one month in advance and long distance calls are of course billed after you make them.

Payment for telephone service must be made within 15 days of the postmark on the billing envelope. A late charge of 1.5% per month will be applied to all balances carried forward on monthly statements.

Any member who issues a check to the Company, which is drawn on an account that is closed or does not have sufficient funds to cover such check, shall be required to pay a service charge of \$25.00 for each returned to the Company. Should the Company, after having properly notified a customer of its intent to discontinue service for non-payment of an account, receive such check as payment of delinquent account, it may disconnect service immediately as if no payment had been received. The Company may require payment of such account to be made in cash before service is restored.

For information about any telephone service not shown on this page, call our Business Office. Your member relations team will be glad to help you.

Establishment of Credit

To establish credit with the Molalla Communications Co., the following criteria must be met:

1. A satisfactory credit record.
2. Three credit references showing prompt monthly payments.
3. If neither of the above is met, a deposit or a co-signer is required. A co-signer must have service with us for a period of at least one year and in good standing. The deposit will be equal to two months average billing based on previous service.

Deposits

Deposits are not required if a satisfactory credit record has been maintained or if the member can provide a satisfactory guarantor to secure payment of the telephone bill.

Members requesting business telephone service may be requested to demonstrate satisfactory credit that is appropriate for the service requested.

When a deposit is required, it will average two-twelfths of your estimated annual billing. Interest on deposits shall accrue from the date of deposit to the date of refund. Interest on deposits held shall be accrued at the rate set forth by the Oregon Public Utilities Commission.

Deposit Refunds

Accounts that have a deposit will be reviewed after twelve months. If service has not been suspended for non-payment or had past due notices, the deposit plus accrued interest will be refunded. The deposit plus accrued interest shall promptly, upon request, be refunded if the customers credit has been subsequently established in accordance with establishment of credit guidelines.

Past Due Accounts

You will be advised of the past due account by a written notice on the statement.

We will not disconnect your service for non-payment of bill on a Saturday, Sunday, or legal holiday or any other day on which we cannot reestablish service on the same or following day.

If service is disconnected for nonpayment of a bill after notification and delinquency period, there will be a reconnect charge and a deposit may be required before restoration of service.

A late charge of 1.5% per month will be applied to all balances carried forward on monthly statements.

This information is called "Customer Proprietary Network Information" or "CPNI," and it relates to the telecommunications services you currently utilize and have available to you. This information includes service types, the way we provide those services, call volume, call detail, and billing data.

How can MCC use the information? If you consent, this information may be used to advise you about innovative communications service proposals or new communications technology and products that are tailored to meet your telecommunications service needs.

Who will be able to use this information? Currently, we do not share our member information with anyone, except as required by law or state/federal requirements. Only those companies that now or in the future sell our services, including our agents, contractors and joint-venture partners, as well as our current or future affiliates and subsidiaries will be able to use this information to market communications-related products to you.

Will we protect this information? Absolutely. You have the right, and we have the duty through our mission and under federal law, to protect the confidentiality of this information. Therefore, regardless of whether you consent or not, your account information will be treated confidentially.

What action is necessary on my part to show consent? No action is required. If you do not contact us within 30 days of receipt of this notice, and indicate that we may not use the information, we may use it in the manner described.

What if I don't consent? You may not be able to learn about innovative service proposals, new technology or offerings, or package discounts. However, any denial or withdrawal of consent on your part will not affect the provision of any services we are furnishing you.

If I consent, can I change my mind? Of course. You can contact MCC member service at anytime and indicate you are withdrawing or limiting your approval of use of your CPNI. Until you do so, however, your consent is valid. Any withdrawal or limiting of consent will remain in place until affirmatively changed by you.

How do I contact you? You can reach us at 503-829-1100 or by mail at 211 Robbins Street, PO BOX 360 Molalla, OR 97038.

Use of the information on your current account will allow us to inform you about services that will best meet your specific telecommunications needs. We look forward to being able to serve you more effectively with new communications products and solutions.

Telephone Information

Consumer Information

Member Billing Information

Members bills are prepared and mailed on the last day of the billing cycle. You should receive your bill approximately one day after mailing date. The monthly charge for local telephone service is billed one month in advance and long distance calls are of course billed after you make them.

Payment for telephone service must be made within 15 days of the postmark on the billing envelope. A late charge of 1.5% per month will be applied to all balances carried forward on monthly statements.

Any member who issues a check to the Company, which is drawn on an account that is closed or does not have sufficient funds to cover such check, shall be required to pay a service charge of \$25.00 for each returned to the Company. Should the Company, after having properly notified a customer of its intent to discontinue service for non-payment of an account, receive such check as payment of delinquent account, it may disconnect service immediately as if no payment had been received. The Company may require payment of such account to be made in cash before service is restored.

For information about any telephone service not shown on this page, call our Business Office. Your member relations team will be glad to help you.

Establishment of Credit

To establish credit with the Molalla Communications Co., the following criteria must be met:

1. A satisfactory credit record.
2. Three credit references showing prompt monthly payments.
3. If neither of the above is met, a deposit or a co-signer is required. A co-signer must have service with us for a period of at least one year and in good standing. The deposit will be equal to two months average billing based on previous service.

Deposits

Deposits are not required if a satisfactory credit record has been maintained or if the member can provide a satisfactory guarantor to secure payment of the telephone bill.

Members requesting business telephone service may be requested to demonstrate satisfactory credit that is appropriate for the service requested.

When a deposit is required, it will average two-twelfths of your estimated annual billing. Interest on deposits shall accrue from the date of deposit to the date of refund. Interest on deposits held shall be accrued at the rate set forth by the Oregon Public Utilities Commission.

Deposit Refunds

Accounts that have a deposit will be reviewed after twelve months. If service has not been suspended for non-payment or had past due notices, the deposit plus accrued interest will be refunded. The deposit plus accrued interest shall promptly, upon request, be refunded if the customer's credit has been subsequently established in accordance with establishment of credit guidelines.

Past Due Accounts

You will be advised of the past due account by a written notice on the statement.

We will not disconnect your service for non-payment of bill on a Saturday, Sunday, or legal holiday or any other day on which we cannot reestablish service on the same or following day.

If service is disconnected for nonpayment of a bill after notification and delinquency period, there will be a reconnect charge and a deposit may be required before restoration of service.

A late charge of 1.5% per month will be applied to all balances carried forward on monthly statements.
