Re: Gardner Capital Solar Development, LLC's Letter in Support of the Testimony of David W. Brown filed on behalf of Obsidian Renewables LLC and Cypress Creek Renewables LLC.

(UM 1725 – Application to Lower Standard Contract Eligibility Cap and to Reduce the Standard Contract Term, for Approval of Solar Integration Change, and for Change in Resource Sufficiency Determination.)

Judges Pines and Arlow:

Gardner Capital Solar Development, LLC (“Gardner Solar”) will not be filing opening testimony in this docket. Gardner Solar has reviewed and supports the testimony of David W. Brown filed July 28, 2015 on behalf of Obsidian Renewables LLC and Cypress Creek Renewables LLC. Gardner Solar finds that this testimony presents persuasive evidence as to why Idaho Power Company’s requests in this docket should be denied.

Sincerely,
