149.

Pursuant to Section 7.3 of the Second Amended and Restated Intervenor Funding Agreement (“Agreement”), which was adopted in Order No. 12-452, the Oregon Citizens’ Utility Board (“CUB”) submits this request for final payment in the amount of \$19,600 of eligible expenses in docket UM 1789 from the PGE Issue Fund. CUB is automatically precertified under Section 5.2 of the Agreement.

On August 22, 2016, CUB proposed an issue fund grant of \$4,600 from the PGE Issues Fund. The Commission, in Order No 16-320 approved CUB’s budget. On February 6, 2017, CUB amended that budget with a request of \$19,600. The Commission approved that amended budget in Order No 17-033.

Under Section 7.3 of the Agreement, each Issue Fund Grant Request for Payment must:

- (a) *Itemize the expenses, payees and hourly rates for amounts to be reimbursed;*
- (b) *Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor’s proposed budget;*
- (c) *Provide information sufficient to show that the intervenor has complied with any condition or requirement of the Issue Fund Grant, including, but not limited to, documentation sufficient to show that the intervenor has satisfied the matching fund requirement (i) set forth in Section 6.5 above or (ii) as the Commission may establish as a reasonable condition on Issue Fund Grants, whichever applies; and*
- (d) *Specify whether the request for payment is for a progress payment or final payment in full and indicate whether any approved budget amount may be released back to the applicable Issue Fund because the*

intervenor does not intend to request payment for the full approved budget amount.

- (a) Confidential Attachment A contains a summary of CUB's expenses to date in this case. Confidential Attachment B provides a list of CUB activities by date and Intervenor Funding Task Category.
- (b) The expenses incurred thus far are reasonable and directly attributable to the issues and positions CUB is addressing in UM 1789 on behalf of residential customers. In support of this assertion, we supply Confidential Attachments A, and B which can be compared to CUB's Issue Fund Budget in this case.
- (c) CUB has satisfied the matching fund requirement as demonstrated in Confidential Attachment A, the summary of CUB's expenses. CUB expenses to date after the match are greater than \$19,600.
- (d) This is a request for final payment.

In this filing, CUB requests the payment of our costs in UM 1789 amounting to \$19,600 from the PGE Issue Fund. See Confidential Attachment A, CUB Final Budget. The attached documents should allow the Commission to track the time spent on the elements of the case, and we believe that this filing meets the requirements of the Commission.

Respectfully submitted,
May 22, 2017
