Per discussions within the 2020 Interjurisdictional Cost Allocation Agreement proceeding (UM 1050), PacifiCorp d/b/a Pacific Power committed to provide the results of the contractor-assisted engineering study of decommissioning costs for the Colstrip coal plant. The confidential decommissioning study is provided in this docket for informational purposes only at this time. Confidential information is provided in accordance with Protective Order 18-431.

To help control the spread and transmission of the Covid-19 virus, PacifiCorp has requested all non-essential employees work remotely from home limiting employee access to company printers and mail facilities. As such, PacifiCorp respectfully requests a temporary waiver from providing hard copies of the confidential materials supporting this filing. PacifiCorp will provide these confidential materials to the commission via encrypted email concurrent with this filing. If the Commission requests, hard copies will be provided once normal business resumes.

Please direct any informal inquiries in advance of the next all-state depreciation meeting to Cathie Allen, Regulatory Affairs Manager, at (503) 813-5934.

Sincerely,
