UM 1968

In the Matter of

PACIFICORP d/b/a PACIFIC POWER,

Application for Authority to Implement
Revised Depreciation Schedule.

JOINT STATUS UPDATE

On April 13, 2020, Administrative Law Judge Sarah Rowe issued a Ruling granting two motions filed by PacifiCorp d/b/a Pacific Power segregating coal issues, suspending the procedural schedule, and setting a deadline for filing a stipulation. The Ruling required that the parties file their stipulation and supporting testimony or brief by June 9, 2020, or, alternatively, file a joint status update by that same date.

Parties are filing this joint status update and requesting a four week extension to file a stipulation and supporting testimony or brief. Parties have made significant progress toward a stipulation and expect to be able to resolve the last remaining issue in the immediate future. The extension will provide sufficient time to exchange information, finalize the stipulation, and draft supporting testimony. The Parties have authorized PacifiCorp to file this Joint Status Update on their behalf.

Respectfully submitted this 9^h day of June, 2020.
