Subject: Interconnection data workshop April 5, 2019

Good afternoon,

Please see the email below from Brittany Andrus. This email is being sent to UM 2000, UM 2001 and the PURPA Implementation email list.

Thank you,
Candice Menza

To all Parties:

Staff is conducting a workshop on April 5, in accordance with Order No. 19-074 adopting the Staff recommendation at the February 26, 2019 public meeting to, "hold two public workshops to resolve data and confidentiality issues so that PURPA project interconnection information can be released to relevant stakeholders no later than May 31, 2019."

The first of the two interconnection workshops will be held Friday, April 5th from 1:30 to 4:00 at the offices of Energy Trust, 421 SW Oak St #300, Portland, OR 97204. This workshop has been scheduled to follow the April 5 workshop in Docket No. UM 2000 at the same location.

Staff is working with utilities and stakeholders to develop the agenda for this first workshop. A second interconnection data workshop will be held in early May. Following that, in accordance with Order 19-074, Staff will "present a final recommendation for enhanced public information about interconnection for consideration at our June 6, 2019 Public Meeting. The interconnection recommendation should be developed and presented within the UM 2000 PURPA investigation docket."
