UM 2056 – Pacific Power Transportation Electrification Plan

On Tuesday February 14, 2023, Pacific Power [filed a draft](#) of the Company's Transportation Electrification (TE) Plan for calendar years 2023-2025. Below is Staff's proposed schedule for public review of this TE Plan. At a scheduling conference on February 21, 2023, at 4:00 pm, Staff will gather feedback on this schedule. The next event following the establishment of this schedule is a workshop hosted by Staff where Pacific Power will present the Company's TE Plan to stakeholders and answer questions. The workshop will be followed by one round of written comments. After the public review of Pacific Power's TE Plan, the Commission will consider whether to accept the plan during two public meetings. The first public meeting will be a public hearing where the Commission will receive public comments. The second will be a work session where the Commission will deliberate on whether to accept the TE Plan.
