**UM 2056 – Pacific Power Transportation Electrification Plan**

On Tuesday February 14, 2023, Pacific Power [filed a draft](#) of the Company's Transportation Electrification (TE) Plan for calendar years 2023-2025. Below is the schedule for public review of this TE Plan agreed to by parties at the February 21, 2023 scheduling conference. This review will have two workshops. At the first workshop, Pacific Power will present the Company's TE Plan to stakeholders and answer questions. The second workshop will be focused on TE investments on sovereign tribal land. The workshops will be followed by one round of written comments. Parties will also have an opportunity to file written comments on the Staff Report. After the public review of Pacific Power's TE Plan, the Commission will consider whether to accept the plan during two public meetings. The first public meeting will be a public hearing where the Commission will receive public comments. The second will be a work session where the Commission will deliberate on whether to accept the TE Plan.
