This workshop will provide stakeholders and Staff an opportunity to discuss Staff's straw proposal for UM 2143. The proposal includes both discussion of process for the docket and a proposal for both a short and long-term RA solution. Staff looks forward to discussing the proposal and issues with you all. If you are unable to attend the workshop, please contact me and we can work to find a suitable alternative arrangement.

Staff will circulate via email and post the straw proposal to edockets by Friday, October 15, 2021.
