Hello,

All hearing participants who are qualified under the GPO should have received an individual link for accessing the confidential session by now. Please contact me if that is not the case. Please note that the invitation for the confidential session shows a start time of 3pm, but that session will not begin until we have concluded with the public session for the day on Monday.

Based on the cross examination statements, we may be unable to get through all of the witnesses on Monday. **Please confirm your availability for a second session to be conducted on Tuesday afternoon.** If there is a conflict on Tuesday afternoon, the parties should be prepared to propose a few options at the hearing. Tuesday morning is not available.
