Natural Gas Fact Finding Foundational Data

On May 27, 2021 Staff hosted a Natural Gas Fact Finding workshop in which it shared preliminary natural gas system Foundational Data. Staff indicated that it would make this information available to all stakeholders. Staff has produced two Excel workbooks containing Foundational Data that are now available for download. The workbooks can be found on the OPUC EO 20-04 website, on the right side of the screen in the section with details for the Natural Gas Fact Finding Workshops: Workshop 1 - May 27, 2021 <https://www.oregon.gov/puc/utilities/Pages/ExecutiveOrder20-04.aspx>.

The workbooks can also be downloaded directly using the links below:
