**Re: UP 409, Withdrawing Application for Approval to Sell Longview Office Property**

Cascade Natural Gas Corporation (“Cascade” or “Company”) herewith withdraws in its entirety its application for approval to sell its Longview district office property. It has come to the Company’s attention through the Assistant Attorney General’s office that due to a recent amendment to ORS 757.480, the Oregon Public Utility Commission (“OPUC”) no longer needs to approve utility property sales less than \$1 million. Any sale between \$25,000 and \$1 million now needs to be reported to the OPUC on an annual basis via a UPN (Notice of Sale of Property under \$1,000,000) filing. The Company will submit this UPN filing within the next year.

If you have any questions regarding this filing, please contact me at (509) 734-4593.

Sincerely,
