RE: UE 215 General Protective Order

To Whom It May Concern:

In response to paragraph 10(e) of the Protective Order approved in Docket No. UE 215, the following is offered with regard to Regulatory & Cogeneration Services, Inc. (RCS). RCS has been, and will continue to be, a utility rate and economic consulting firm engaged in providing electric and gas utility-related consulting services to industrial and institutional corporations in the United States. A good portion of our typical consulting effort has been, and will continue to be, appearing in state and federal regulatory proceedings on behalf of clients. However, RCS services have also included advising clients on strategies for selling, procuring and evaluating alternate providers of electrical power or gas supplies. As RCS has done for so many years, our role is to assist clients in formulating and successfully implementing energy strategies in a collegial effort. At this time, the firm has no intention of changing our business focus or re-directing it in a new direction.

A list of RCS past and current clients is provided as an attachment to this submittal. At this time, RCS would expect any future clients to be in a business similar to those on the attached sheet.

Sincerely,

REGULATORY & COGENERATION SERVICES, INC.
