UP 384

Persons Qualified Pursuant to Paragraph 13: Highly Protected Information

I have read the Modified Protective Order and agree to be bound by the terms of the order.

I certify that: I understand that ORS 756.990(2) allows the Commission to impose monetary sanctions if a party subject to the jurisdiction of the Commission violates an order of the Commission.

The party I am associated with has a legitimate and non-competitive need for the Highly Protected Information for this proceeding and not simply a general interest in the information.
