AR 609

In the Matter of
Rulemaking Regarding Transportation
Electrification Plans.

STAFF'S MOTION TO ESTABLISH
DEADLINES FOR FIRST TRANSPORTATION
ELECTRIFICATION PLANS PURSUANT TO
OAR 860-087-0020(2)

Staff files this motion at the request of the Administrative Hearings Division (AHD).

After the Transportation Electrification Plan rules, found at OAR 860-087-0020 et seq., were adopted through Commission Order No. 19-134, Staff and stakeholders noted that a filing deadline for the electric companies' first Transportation Electrification Plans was not included in the order. Staff subsequently worked with the individual electric companies to develop a first filing schedule that worked for all companies and determined that a staggered filing approach would ease the review process for everyone involved. As a result, Staff and the electric companies propose the following filing deadlines for the first Transportation Electrification Plans:

1. Portland General Electric – October 1, 2019
2. Idaho Power – November 1, 2019
3. PacifiCorp – February 1, 2020

Staff has conferred with the electric companies regarding the contents of this motion and no party objects to this motion. Therefore, Staff respectfully requests that Chief Administrative
